Technicians are a minimum of \$40.00 each, paid \$10.00 per hour after the first 4 hours. The department requires the use of NSU Trained Students and/or Contracted(approved) individuals to run lighting, sound (beyond basic "push play") and fly rigging.

Any event that requires more than "White Light" needs to be contracted as an outside service. (Any individual contracted needs to be approved by the Facility Manager before approval of the rental)

Clean-Up Fees

Upon the conclusion of said event, each renter shall leave the premises in a reasonable and clean condition. The University reserves the right to assess University-contracted fees for custodial services. **If the space is not deemed to be in reasonable condition, the University will assess the renter for payment of cleaning services and reserved the right to not allow the renter to use the space in the future.**
