2. If a student does not maintain academic progress according to Northwestern State University's Satisfactory Academic Progress policy, the student will lose eligibility for the upcoming semester or summer session unless the Financial Aid Appeals Committee approves an appeal or the student re-establishes his/her eligibility.

Terms of Employment

1. FWS positions are assigned for the fall/spring semester. If a student loses eligibility during the fall semester, the student will not be eligible for the spring semester.
2. All student employees must complete an application, I-9 form, W-4 form, L-4 form, and an Employee Debt and Overpayment form.
3. The Office of Student Financial Aid and the Student Employment Officer assigns the number of hours that a student is allowed to work.

Compensation and Payment

1. FWS students are paid federal minimum wage unless the student is participating in the Community Service Program. Students participating in the Community Service Program will be compensated for travel expenses by being paid a higher hourly wage.
2. FWS wages are not to be used to request a waiver during fee payment.
3. Student employees are compensated on an hourly basis, and are paid only for hours worked.
4. Student employees shall be paid on the Friday following the end of a pay period. Wages will be distributed by check or direct deposit.
5. Wages paid to student employees are subject to federal and state income taxes.

Reporting of Time

1. Each student employee's immediate supervisor must maintain a daily record of the student's time worked. The employee and supervisor must certify the total hours worked by signing the Sign In/Out sheet at the end of each pay period.
2. In order for student employees to be paid on the Friday following the end of a pay period, **time entry should be completed by time keepers by 12:00 the day of time entry and approved by 3:00 p.m., that same day.**
3. Submission of accurate Sign In/Out sheets to the departmental time keeper in a timely manner is the responsibility of the supervisor and the student employee.

5. Student employees are not allowed to work during their scheduled class time.

Termination and Grievance Procedures

1. Student employees may be terminated for various reasons related to their status as a student and/or job performance. Examples are academic probation, dishonesty, insubordination, etc.
