

III | NORTHWESTERN STATE

Northwestern State University is committed to making a positive difference in the lives of its students by teaching them to think critically, solve problems, communicate effectively and use technology.

The faculty and staff at Northwestern State work each day to create an environment that fosters leadership, encourages curiosity and incorporates a sense of service towards others.

Northwestern State is proud to boast of 100% national accreditation in all applicable degree programs and is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. Northwestern State is a vibrant student-oriented institution that is in the words of one alumnus, "large enough to serve you, but small enough to know you." Northwestern State's history of academic excellence dates back to 1884. Today Northwestern State offers degrees in more than 50 areas, each offering a mix of the classroom training and practical experience to prepare students for life, for careers and for citizenship.
