Those in Dodd need to yell FLUSH! Good deal?
Good deal! OK?! Three to a room is not a problem!
Last year was our best ever, I know we are going
to do better. Can I solve anyone's problems?
What do I need to be solving next? (a - b)(a + b).
FLUSH! I am a M.O.M.!! It was either cut back on the Program or
put you three to a room. I found a creative solution. FLUSH!
Neat. Thank You. Good Deal. This is just
a glitch that needs to be
worked out for next year. Who is they?
FLUSH! Chain of Command.
My title is director but my job description is problem
solving. Because they have stufed oranges in
the pool table they lose the privilege of using it.
What are you doing? EAT YOUR
CAKE, DON'T THROW IT. A's and TAs will not be allowed to
take cake parties this year; just one of last year's glitches that has
been fixed. FLUSH! Same floor space, just less air space; be
careful breathers. Cary, pull up your pants. Hi Harry! Mark! and
Paula! Did you hear them, they went Mooooo. Isn't it amazing?
Yes, ma'am. I'm sure your kids are eating well.
Oh, what a beautiful feccececliling....FLUSH!!!!

Carlton's Little Nuts
One Day *

One day at ADVANCE '95, wet cigarette butts were served for lunch. It was an improvement from yesterday, because I hadn't eaten as many chilli dogs. We still look better than Tater Wilson no matter what we do, because we have Arthur. Who's Arthur? I'm called Elmo. I always remember to yell Flush! But we don't live in Dodd because we're cool! Shaft is one bad motha! But Shaft isn't constipated. Because he is stuck in the tree, we invented chainsaws, then we took over the world! Sandra made it a boot camp... when a 20 lbs. guitar playing chicken smothered us in melted Velveeta. Then Spam made a tasty dessert, but we didn't know about the Strychnine inside. So cancel my subscription to the Resurrection and sign me up for Playboy. Well, I just read it for the articles, not for the pictures. Now will you bow to anyone? You shall die before you see me bow to you, fool! Because Friar Tuck told you to put your pants on, then your shoes, and get out of my room!

* A creative thought provoking story assembled from phrases offered by each RA group under a two minute time limit.
