1997 ADVANCE Yearbook Staff

Roblynn Gass (typed a lot and took pictures)

ADVANCE Staff Haiku
Roblynn clicked and clicked
Chris re-sized the whole yearbook
And Leslie Smiled, Smiled :)

Edwin Grundy is our only student this year who has been with ADVANCE for five years. We have ten students that have been here for four years.
Edwin tells us that he has never been in the yearbook except his group picture. In his honor, and with our love, we've put him on our cover.
This year's title is *Movin' On*, because all of us do.

The Average Advance Student

I spend nine and a half months out of the year suffering, waiting for three weeks in the summer. ADVANCE has made a big impact on my life. I would like a cool RA please. I'm pretty quiet, I'm sort of eccentric. I wouldn't call myself normal, because normal does not have a definition. I like being myself. I get to bed easiest with a tape on. Like to read. I'm sort of shy. I get tired of things very easily if they become dull or unexciting. I don't watch TV much. Some people would call me weird. I don't like conformity. Introvert. Happy. Pragmatic. I'm very organized. People fascinate me. I'm nice, observant and more than a little weird. Hypocritical people suck. I prefer not to be around quiet, non-social or negative people. Idealistic, optimistic. My parents are from India. I need sleep. I like getting on the Internet. All A's. I'm not a morning person. I'm open minded. I like playing music. I like to listen to music. I like philosophical discussions. I do not like my room too cold. I do not eat cow or any cow product. I'm a vegetarian but do eat eggs and drink milk. I love coffee houses. I am not a very quiet person. I can be spacy. Very active. Can't stay in one place or be still for very long. I want to be the best I can be at whatever I do. I am good at computer programming. I enjoy writing, singing and acting. I'm creative, smart, anti-conformist, open-minded, morally conscious and inquisitive. I like intelligent conversation. I am friendly. I procrastinate sometimes. I'm very well rounded. I like sports. Non-physical activities cause enjoyment. I enjoy getting into mischief. Different is the key and yet it isn't. I am going to be a postal worker. I wish I was a duck. I am absent minded and tend to lose things. I am impatient with severe immaturity. I love to get up early. I like chocolate covered coffee beans. I try to make my personality better adapted to my surroundings. I am a 14 year boy who seems to be part of my sister's master plan. Smart but not genius. Ping pong. I'm not athletic. I am interested in the world. I like morning baths; please put me with someone that likes night baths. I can be forgetful. I see myself as having a jovial and cheerful character. I often breathe, eat and sleep. I think I may be a little vain about my personal hygiene, but not snobbish. I am somewhat introverted. I have a low threshold of humor. I like what I do, who I am, and where I am going. Uncool people need not apply!

Adios, Los Muchachos! Au Revoirs, Les Enfants! Sure as shootin', I'll probably see you next year!
