Chancellor's Data Report Narrative
October 14, 2021**

The NSU Chancellor's Data Report reflects the number of Responsible Employees at NSU and the number of people who completed training provided by the Board of Regents on August 18, 2021. This training was limited to the number of attendees from each Institution. The required training referenced by BOR Uniform Policy on Power-Based Violence/Sexual Misconduct has yet to be developed by the Board of Regents and has a deadline for development on January 1, 2022. Responsible employees have a requirement to complete the BOR training before the beginning of the 2022-2023 Academic Year.

AS a result, 11 of NSU's 721 Responsible Employees have completed training provided by the BOR to date. However, 519/ (92%) of NSU's 721 Responsible Employees have completed Title IX Training since January 2021.

Once the BOR's Annual Training becomes available, it will be provided to all NSU's Responsible Employees.
