

2018 -2019 Mid-Year Assessment Brief

13 February 2019

Purpose

- ❖ Close-Out 2017-2018 - *Validating our Process - Reaffirmation*
- ❖ AY 2018-2019 - Updates across Tactical, Operational and Strategic Focus Areas – *Building Momentum*
- ❖ Requirements and timeline for end-of-year AY 2018-2019 Assessment
- ❖ Navigating the landscape and driving change in Higher Education

The focus is no longer singularly (process) focused – it's also about results from the process. We must maximize the lessons learned to increased operational effectiveness/efficiency and establish unstoppable momentum.

AY 2017-2018 Assessment Complete

AY 2017-2018 Decision Tracker					
	Decision	SFA	Action	OBJ	Status
1	NLSSI and our local survey will continue to be our assessment tools. Therefore, determining growth from year to year with accuracy will depend on appropriate comparisons of the survey Northwestern State University of Louisiana 22 Strategic Plan 2016-2021 data. We will continue to focus on advising and assessment and will consider a program for student mentorship for new students to promote academic achievement. P.21.	SE	ULS will provide the funding of the NLSSI in 2018-2019.	1	Monitoring
2	Upon being found compliant by the SACSCOC Board of Trustees, the University will revalidate its assessment construct for its academic programs. It is critical this process is done deliberately and inclusively to ensure what is assessed is meaningful to the student and to the program. The intent is to stabilize the construct to provide longevity in the consistent acquisition of comparison data to drive continuous improvement. The expectation is to have all 67 degree programs and 17 post-baccalaureate and masters certificate programs participate in the 2018-2019 assessment cycle. P.42.	AE	Action is already in motion as degree program coordinators understand they can and should start strengthening their assessment program. All four college coordinators understand we will assess certificate programs in 2018-2019. A methodology has been designed to facilitate a more efficient approach to annual assessments. We will conduct a mid-year update to all degree program reports.	1	Approved as stated. Monitoring in the mid-cycle report.
3	* Develop a new system to capture faculty presentations and publications since we are no longer using TaskStream. * Launch Undergraduate Research Fellows Program and Undergraduate Research mentors Program to capture better student presentations and publications and faculty mentoring efforts. * Secure funding for supplies necessary to produce research posters for conference and Research Day presentations for students and faculty. P.67.	RIM	Action is underway to evaluate several possible Taskstream replacement applications. A demonstration of interfolio will take place on 23 Oct 18 to allow for more questioning about its capabilities. Faculty understand they can and should print a version of their activity report off for personal use. This item will turn green once another application is selected.		Possibly use Interfolio as the application for capturing research related work.

50 - Recommendations led to a decision - action

Good News

- The Board of Trustees for the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) found NSU compliant regarding the monitoring report issued during our affirmation of accreditation.
- Reached our highest enrollment since NSU was founded in 1884.
- New Campus Marketplace is open, which includes the campus bookstore and Chick-fil-a.
- University assumed management of the NSU-CENLA campus in Alexandria, formerly the Learning Center of Rapides Parish.
- We continued major capital improvements including a new parking lot at Watson Library, overlay of Caspari Street and upgrades in several classroom buildings.
- University students and faculty were honored and recognized nationally and internationally for their accomplishments.
- Numerous academic accomplishments 100 percent passage rate by our students on NCLEX exam, first cohort of BSN students to complete their clinical studies on the Natchitoches campus, the inaugural Inferno Pitch competition, the highest student-athlete graduation rates in school history, the awarding of the DOE Teacher Quality Partnership grant and many others.
- Have acquired Interfolio as our academic faculty management software – replaces TaskStream

To Think About

- Senior leadership transitions
- Balancing growth and infrastructure – on and off campus
- Resources (time / people / funding / cost / structure)
- Recognize – the why NSU – can we expand?
- Focus – regional or national?
- Progress towards Vision vs. Peer Institution
- Fear – is it preventing innovation
- Relevance – how do we maintain!

The Student Experience

Top three good news stories:

- Continued Increase in enrollment and improved graduation rates
- Student demographics reflect diversity of the state of Louisiana
- Continued satisfaction with student services and particularly programs in leadership and civic engagement

Top three areas of concern:

- Limitations in on-campus growth due to lack of housing, rising costs of attendance, and complaints of on-campus course and program availability
- Deterioration of major student assembly spaces with limited resources for improvements
- Limited funding for scholarships, recruiting budgets, staff salaries, and student development projects

Final Thoughts: Strategic goals are entrenched in the work and language for all in the Student Experience.

Academic Excellence (3 of 3)

Data for 8/17 measures were collected and analyzed

Top three progress areas: Progress in 5.5/8 measures

- Higher response rate of students participating in course evaluations
- Course and instructor ratings were the same as 2017-18
- Average class size in University Core courses decreased
- Student performance on GRE, LSAT, and MCAT improved

Top three areas of concern: Decline in 2.5/8 measures

- Number of course stewards in University Core courses with multiple sections
- Percent of faculty/staff receiving external grants

Final Thoughts:

- Faculty profile system (Interfolio)
- Lessons learned from the success of Math and English co-requisite programs
- Continuing Concerns: Time for data analysis, faculty research, mentoring of graduate students

Research within the Mission

Key Insights: Research Data - Not Collected for Mid-Year Brief;
Data will likely be collected manually for 2019-2020 annual report.

NSU contracted with Interfolio to develop a Faculty Profile System

- *Faculty 180* – Activity reporting; Annual review, promotion, and tenure

Outlook: Timeline for Implementing *Interfolio Faculty 180*

- Planning (mid-Jan to mid-Feb)
- Inform (mid-Feb to mid-Mar)
- Train (mid-Mar to mid-Apr)
- Deploy (April-July)

General Education Competencies

The goal of the core curriculum is for undergraduate students, depending on their respective degree program, to obtain appropriate learning outcomes for the following general education competencies:

- **English.** To demonstrate writing as a purpose-driven process of communication within specific contexts.
- **Mathematics/Analytical Reasoning.** To apply mathematical and analytical reasoning skills.
- **Natural Sciences.** To understand the universe through the study of life and physical sciences.
- **Humanities.** To understand the diversity of human knowledge and experience across cultures as examined through the humanities.
- **Social/Behavioral Sciences.** To demonstrate an understanding of human behavior and the relationship between individuals and their societies.
- **Fine Arts.** To explore purposes and processes in the visual and performing arts and the ways in which fine arts conceive and express the human experience.

Core Assessment - Fundamentals

Student Learning Outcomes: specify what students will know, be able to do, or be able to demonstrate when they have completed/participated in the program, course, project or activity.

Measure: Combines methodology and target. Designed to directly measure what a participant knows or is able to do. It requires demonstration of the skill or knowledge, such as write an essay.

Finding: Binary – met or not met

Analysis:

Start with last years finding and why.

As a result, what was done differently this year to improve.

What are the findings for this year – both good and bad.

Decision: Based on this years results what will be done differently next year to improve/plan.

College of Arts and Sciences

Highlights:

- Successful overhaul of our MATH and ENGL co-requisite courses per BoR Policy 2.18.
- Faculty recognition, grants, awards, and scholarship.
- Memorandum of Cooperative Endeavor KTBS.
- School of CAPA celebrating its 30th year and accolades.
- Bachelor of Fine Arts (BFA) in Dance enrollment.

Concerns:

- ❖ Maintaining and improving the success in the Math and English co-req.
- ❖ Enrollment growth in Departments and Schools vs. Infrastructure and faculty availability.
- ❖ Continued improvement in the process to assess the Gen. Ed. Core.

Outlook:

- ❑ New Media/KTBS memorandum has positive potential for students and KTBS professional input into media market responsiveness.
 - ❑ Growth indicates a strong relationship between Academic Departments and Advisory Councils in meeting student needs and preparation for respective professions.
 - ❑ Impact of CAPA's representation on the National and International stage.
-

Gallaspy College of Education and Human Development

Highlights:

- PD for GCEHD faculty: semester kickoff event in August, events scheduled focused on growth in online teaching strategies.
- SOE completed onsite accreditation visit with CAEP in September.
- Social Work is state lead for Title IVE grant, hiring fulltime program manager.
- Military Science is slated to commission 8 cadets.
- LA GEAR UP funded for 2019, PI is Psychology instructor, Steve Gruesbeck.

Concerns:

- Increasing dependence on adjunct instructors and teaching overloads.
- Increase in residency/research/internship creates need for more faculty or support personnel.
- The need for a recruiter within GCEHD.

Outlook:

- Increasing partnerships with school districts (SOE).
 - Grants obtained/partnerships (Title IVE-SOWK; U.S. TQP-SOE; LA GEAR UP- PSYC)
-

College of Nursing and School of Allied Health

Highlights

- First time in college's history ASN NCLEX first-time licensure exam pass rates ranked 1st in State and Nation (100%) for two graduating classes and BSN NCLEX first-time licensure exam pass rates ranked 1st in State and Nation (100%) for entire graduating class.
- CON achieved University growth goals (>6%) for Spring, Summer & Fall 2018.
- Retention rates for undergraduate/graduate CONSAH students exceeded 70%
- Obtained/retained funding for 12 full time faculty positions; Over 100 Dean-Stakeholder visits
- (a) Revised Strategic Plan to be congruent with University's; (b) Completed Mid-Cycle accreditation reports for BSN, MSN, DNP programs for State Board of Nursing and CCNE; (c) Established SACSCOC SLOs for post masters certificate programs; (d) 5 faculty obtained doctorates, and (e) Offered 4 professional development CE sessions for faculty.

Concerns

- ❖ Needs to sustain growth (infrastructure, faculty, support staff – secretarial, IT)
- ❖ Faculty salaries & succession planning (Salary inequities [losing seasoned faculty but hiring new at higher rate]; adjunct salaries lower than surrounding nursing programs)
- ❖ Competition growing for nursing students

Outlook

- ❑ Positive for growth in online programs (DNP, RN to BSN) & new programs (partnerships for BS to BSN; Paramedic/Medic to RN; CT PBC)
- ❑ Negative for attracting or retaining faculty

College of Business and Technology

Highlights: *Impact, Engagement, Innovation*

- Impacted our CoBus & Tech students and business community
- Prepared QEP plans for 5 of 6 programs
- Redesigned and created a smart-technology classroom & updated all classrooms with Cisco Teleconferencing systems in Natchitoches and Leesville
- Implemented into all programs academic advising process “15 to Finish/Think 30”
- Engaged business and industry leaders with our CoBus & Tech students and faculty members

Concerns:

- Increased student enrollment numbers equal increase faculty members
- Scheduled AACSB reaffirmation
- Limited faculty office space and classroom space

Outlook: Continue to be innovative, impactful, and engaging with our stakeholders. Awaiting master’s program in CIS. Seeking accreditation for HMT.

Student Government Association

Highlights:

- Civic Engagement- Constitution Day, Voter Registration, Candidate Presentation
- Campus Improvements- Parking signs installed, Floors installed, Portraits Commissioned, Football Stadium Beautification, Satellite Campus visits
- Community Involvement- Allocated money for collecting cleaning buckets for hurricane relief, Participated in Ribbon Cuttings
- Student Technology- Grant Process Reinstated, Helped Multiple Departments
- ORF- Approved Organizations for Conferences and Competitions
- Leadership- Hosted Leadership NSU, Attended National Conferences, Hosted COSBP

Concerns:

- Groundskeeping
- Buildings/Infrastructure
- Responsiveness of Student Services (Fin. Aid, Registrars)
- Stability

Outlook:

- Student Memorial
 - Student Involvement
 - Civic Engagement
 - Beautification
 - Student Body Elections
-

Quality Enhancement Plan: Learning for Life

Key Points:

262 students were enrolled in QEP capstone courses in Fall 2018. 275 students are currently enrolled in capstone courses for Spring 2019.

Fall assessment results showed an improvement in SLO 1.2, 1.5 and 2.5. Programs indicate that adding or modifying existing reflection exercises for students in capstone courses helped improve these scores.

It seems to take 2-3 assessment cycles (semesters) for programs to be satisfied with their capstone experience designs.

Benchmark of 50% of students scoring “Mastery” level or better was met in all reporting programs for fall 2018. Our lowest benchmark % in 17/18 was 47%. Our lowest benchmark so far for the current assessment year is 59%.

The end is near! (Already) The last group of programs will go through the redesign process in the fall of 2019 and implementation in the fall of 2020.

We are finding new ways to incorporate QEP data into other university initiatives. Examples include reporting for NC-SARA (out of state internships) and incorporating QEP program goals into university assessment when possible.

Market Responsiveness

AY 2017-2018	Mid-Mid Brief 2018-2019	Market Responsiveness Metrics	AY 2020-2021 Target
80%	80%	New or redesigned programs, concentrations, or certifications approved by the Curriculum Review Council that meet workforce needs	100%
42	42	Number of faculty funded for faculty development	45
119	122	Number of academic articulation and industry partnership agreements	300
98.8%	98.8%	Percent of students/alumni who feel they are/were well-prepared upon graduating (increased knowledge in academic field)	100%
93.0%	93.0%	Percent satisfaction of students/alumni who feel they completed the requirements for a job or career in their chosen field	100%
73.5%	73.5%	Number of graduating seniors who have a full-time job working in their degree field at graduation	100%
36.95%	36.95%	Number of graduating seniors who will pursue an advanced degree	50%
3	3	Number of new degrees, concentrations, or certifications approved by the Board of Regents that meet workforce needs and reflect occupational forecasts	ongoing
established	established	Process for collecting data and monitoring workforce and industry needs	ongoing
95% (21/22)	95% (21/22)	Number of departments that have active advisory councils	100%

Market Responsiveness:

Objective 1. Prepare graduates to work, learn, and lead.

Objective 2. Align curricula with tomorrow's workforce demands.

Objective 3. Deliver class-leading employer service and industry-recognized competencies

Objective 4. Modify programs through continuous reflection and thoughtful advancement

-  Progress
-  Decline
-  No Progress - Not Measured
-  Change Made

Market Responsiveness

Top three good news stories:

- Increase in number of departments that have active advisory councils
- Increase in number of graduating seniors who will pursue an advanced degree
- Increase in number of academic articulation and industry partnership agreements

Top three areas of concern:

- Decline in percent of students/alumni who feel they completed requirements for a job or career in chosen field
- Decline in number of graduates who have a full-time job working in their degree field at graduation
- Financial support may hinder institutional program – workforce alignment efforts

Final Thoughts:

- Positive momentum continues with alignment of programs and workforce needs.
- Recognized that not all programs can achieve perfect alignment due to nature of certain fields.
- Revised metrics to include professional development will provide additional documentation of departmental efforts to remain current in their fields.

Community Enrichment:

Objective 1. Expand World Class Performing Arts Program

Objective 2. Increase Robust Alumni Engagement

Objective 3. Promote Mutually Beneficial Donor Relationships

Objective 4: Expand Institutional Culture of Collaboration and Mutual Accountability

Objective 5. Nurture Thriving Town-Gown Relationships

Community Enrichment

Top three good news stories:

- Social media channels continue to show consistent growth as well as e-mail capture rates.
- Number of patrons attending on-campus and off-campus CAPA events is up year on year.
- Number of individual contributors and amount of private support is up year on year.

Top three areas of concern:

- Growth of unrestricted endowment funds
- Stock market volatility
- Use of advisory volunteer/internship data

Final Thoughts: Community Enrichment metrics continues to experience positive growth; areas of concern are being addressed to ensure 20-21 targets are met.

Community/Public Service within the Mission

2017-2018 AY Outcomes:

- Service Agency Partnerships: 328
- NSU Service Activities: 297

Athletic Prominence (2 of 3)

AY 2017-2018	Mid-Year Brief 2018-2019	Athletic Prominence Metrics	2020 - 2021 Target
15	15	Identify and sustain/grow annually student-athlete participation in campus activities, (SGA, SAB, Greek organizations, BCM, etc.)	20
4,376	850	Complete a minimum of 4,000 community service hours by the NSU Athletic Department (coaches, staff, and student-athletes) annually.	4,000
242	118	Average at least 200 Dean's/President's List honorees per year.	250
212	93	Average at least 100 Southland Conference Commissioner's Honor Roll honorees per semester.	200
967	987	Sustain a multi-year (four year) department NCAA Academic Program Rate (APR) of 950 or higher.	940
13	12	Plan and execute facility improvement projects commensurate with funding availability.	10
6/14	0/5	Establish as a goal that all teams will register a winning percentage of .600 or better in conference play (note – eight teams have win-loss records to measure; for track and field/cross country, the metric will be to finish in the upper third of the 13-team conference standings).	14

Athletic Prominence:

Objective 1. Enhance Marketing Opportunities, Game Day Experience and Resource Acquisition

Objective 2. Promote Community Service, Appreciation, and Engagement

Objective 3. Enhance University and Community Collaboration and Support

Objective 4. Enhance Recognizing and Promoting Success

-  Progress
-  Decline
-  No Progress - Not Measured
-  Change Made

Athletic Prominence (3 of 3)

Three positive trends:

- Noticeable facility enhancements and updates over the past 6-12 months have created a level of excitement and optimism within the Athletic Department and among the athletic program's fan base.
- Football tickets revenue (season and single game tickets, plus parking) was the best since the 2013-14 season. Overall, revenue numbers are trending in an upward direction based on annual giving, endowment growth, and facility project contributions.
- NSU student-athletes compiled a cumulative grade point average of 3.0 or better, following fall semester, for the seventh straight semester. Also, the department's 980 multi-year NCAA Academic Progress Rate is an all-time high.

Three areas of concern:

- Southland Conference winning percentages continue to be below the .600 benchmark.
- The mid-year community service hour number is lagging the previous year.
- Generating additional merchandising sales outlets continues to be a challenge.

Final thoughts: Although the fall sports conference winning percentages did not exceed the .600 benchmark, first year coaches Brad Laird in football (fan base re-energized) and Jess/Anna Jobe in soccer (qualified for conference tournament for only second time in nine years with a roster consisting of 50% freshmen) have created an air of optimism for the future. The fact that resource acquisition is increasing across the board is an encouraging and necessary positive sign, as well.

Program and Unit Mid-Year Assessment Verification

Purpose: Review and verify Student Learning Outcomes (SLO) and Service Outcomes (SO) are being actively assessed. That data from the assessment is being collected and documented and we establish the language framework for the analysis and decision paragraphs for each measure.

Fundamentals: *We Still Need Work!*

Student Learning Outcomes: specify what students will know, be able to do, or be able to demonstrate when they have completed/participated in the program, course, project or activity.

Service Outcomes: specify what an organization intends to do, achieve, or accomplish through certain activities or experiences (what a program accomplishes for its students, faculty/staff or institution).

Specific – Measurable – Attainable - Results-Oriented - Time-Bound

Measure: Combines methodology and target. Designed to directly measure what a participant knows or is able to do. It requires demonstration of the skill or knowledge, such as write an essay).

Finding: Binary – met or not met

Analysis: Start with last years finding and why. As a result, what was done differently this year to improve. What are the findings for this year.

Decision: Based on this years results what will be done differently next year to improve/plan.

The Road Ahead – Making a Difference
