Office of Executive Director of Institutional Effectiveness (EDIE) and Human Resources

Once approved we anticipate implementing the new mission statement on 1 July 2020.

❖ We discussed the AC 2018-2019 Decision Matrix and, barring any concerns, it will be considered complete thereby ending Assessment Cycle 2018-2019.

❖ We discussed our approach to the next Strategic Plan. It was agreed that we will extend the timeframe of the existing 2016-2021 Strategic Plan to a new term, 2021-2028. Each Strategic Focus Area (SFA) will add “Innovation” as an objective. The objective, strategies, and associated metrics will be developed by each SFA. Following is the development timeline:

- AC 2019-2020: Assessment as usual – Assessment document will be produced.
- AC 2020-2021: This will be a year of reflection and development of the “Innovation” Objective, Strategies, and Metrics. We will produce a base document outlining all the SFA (Objectives – Strategies – and Metrics), but no data or assessment will be reflected. The format and look of this document will be like the original Strategic Plan 2016-2021.
- AC 2021-2022: Assessment will occur. The comparison year will be AC 2019-2020.

❖ Mission, Roles, and Priorities. As a natural extension of the University mission analysis process, we will review the mission statements, roles, and priorities of each College and key administrative offices as per the outline on the attached slide. The schedule is:

- 14 November 2019. Each College will present its mission statement, roles, and priorities. Vision statements and values are optional. See the Draft slide Outline attached.
- 12 February 2020. Provost and Vice Presidents.

❖ Highlighted the SACSCOC Fifth-Year Interim Report requirements and provided an example of what a standard owner should develop as a guide to answering the requirement (attached).

Next meeting 13 November 2019 at 3:00 in the Henderson Conference room, Caspari Hall.
