

MEMORANDUM OF UNDERSTANDING

BETWEEN

Northwestern State University of Louisiana

AND

Columbia Basin College at Pasco, Washington

Northwestern State University (NSU) and Columbia Basin College at Pasco, Washington (CBC) have agreed to enter into a Memorandum of Understanding for a 2+2 program between the two Institutions. The 2+2 program will allow students to complete the Associate of Applied Science in Criminal Justice at CBC and transfer all credit hours applied to the AAS CJ degree as listed in Appendix A to Northwestern State University in partial fulfillment of degree requirements for the Bachelor of Art Degree in Criminal Justice at NSU. Both universities serve the needs of their constituency and are responsive, student oriented institutions that prepare their students to become productive members of society as well as promote the academic development and improvement in the quality of life of citizens in their regions.

This partnership is mutually beneficial to both institutions for several reasons. Traditional and non-traditional students attending CBC have said that they want and need an opportunity after completing their criminal justice studies from CBC to transfer to a four year program that will accept CBC criminal justice credits.

Both Universities have full-time, tenure track faculty with advanced academic and field experience credentials.

Both institutions have extensive support resources (i.e., library, on-line access, service courses, and adequate administrative – faculty – staff backup).

Both programs adhere to the curriculum standards of the Academy of Criminal Justice Sciences.

Northwestern State University has excellent on-line instructional capabilities and the Criminal Justice Bachelors Degree is available via the Internet.

Northwestern State University has a partial tuition exemption for students employed full-time as law enforcement officers.

In accordance with this Memorandum of Understanding, CBC agrees to:

Have CBC students who plan to transfer to NSU to complete a Bachelor of Art Degree in Criminal Justice file intent to transfer form with NSU to establish the catalog of record for their graduation from NSU.

Jointly with Northwestern State University, market the 2+2 Agreement to prospective students.

Provide information about the 2+2 Agreement on the CBC webpages.

Provide students the opportunity to obtain the CBC credit hours as listed in Appendix A of the Memorandum of Understanding between NSU and CBC.

In accordance with this Memorandum of Understanding, Northwestern State University agrees to:

Accept CBC credit hours as listed in Appendix A of the Memorandum of Understanding between Northwestern State University and CBC.

Along with CBC, jointly market the 2+2 Agreement.

By signature of President Randall J. Webb, Northwestern State University and signature of President Richard W. Cummins, Columbia Basin College, this 2+2 Memorandum of Understanding is entered into on the 15th of June, 2009.
