

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
NORTHWESTERN STATE UNIVERSITY OF LOUISIANA  
AND  
FLETCHER TECHNICAL COMMUNITY COLLEGE**

Northwestern State University of Louisiana (NSULA) and Fletcher Technical Community College (FTCC) have agreed to enter into a Memorandum of Understanding for a 2 + 2 program between the two institutions. The 2 + 2 program will allow students in FTCC Associate of Science in Nursing (ASN) program to complete the first two years of study at FTCC and transfer all credit hours as designated in Appendix A to NSULA for completion of the Bachelors of Science in Nursing (BSN). Students transferring to NSULA may complete the last two years of their course work at NSULA. Both institutions serve constituency needs and are responsive, student oriented institutions that prepare students to become productive members of society as well as promote the academic development and improvement in the quality of life of citizens in their regions.

This partnership is mutually beneficial to both institutions for several reasons:

- FTCC traditional and non-traditional students will have the opportunity after completing core requirements at FTCC to transfer to an accredited BSN program that will accept FTCC credits.
- NSULA will have the opportunity to accept students into the BSN Program who are well prepared with foundation course work.
- Both the University and the College are accredited by the Southern Association of Colleges and Schools.
- Both the University and the College have full-time faculty with advanced academic and professional credentials and both have support resources (i.e., library, internet access and adequate administrative-faculty-staff backup).

In accordance with this Memorandum of Understanding, Fletcher Technical Community College agrees to:

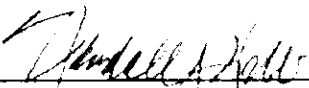

- Provide academic advising to students who plan to transfer to NSULA according to agreements in Appendix A.
- Have ASN students who intend to transfer to NSULA sign the Intent to Transfer form and mail the completed form (Appendix B) to NSULA: RN-BSN Director, 1800 Line Ave, Shreveport, LA 71101.
- Provide students the opportunity to obtain the FTCC credit hours as listed in Appendix A of the Memorandum of Understanding between NSULA and FTCC.
- Provide transferring students assistance in completing the NSULA Application for Admission into the Bachelor of Science Nursing Program.
- Provide information about the 2 + 2 Agreement in the Fletcher Technical Community College General Catalog.
- Jointly market the 2 + 2 agreement with NSULA.

In accordance with this Memorandum of Understanding, Northwestern State University agrees to:

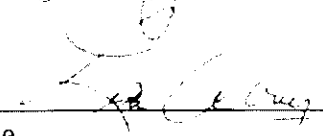

- Provide consultation to FTCC regarding required content for the two introductory nursing courses.
- Receive and maintain "Intent to Transfer" forms from FTCC students and honor the agreement regarding academic catalog in effect on the date of the student's signature and the NSULA confirmation signature. (Appendix B).
- Accept Fletcher Technical Community College credit hours as listed in Appendix A of the Memorandum of Understanding between Northwestern State University and FTCC.
- Provide FTCC with copies of the Application for Admission into the Bachelor of Science Nursing Program and other advising materials.
- Provide information about the 2 + 2 Agreement in the Northwestern State University of Louisiana catalog.
- Jointly market the 2 + 2 agreement with FTCC.

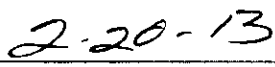

By signature of President Randall J. Webb, Northwestern State University and signature of Travis Lavigne, Chancellor, Fletcher Technical Community College, this 2 + 2 Memorandum of Understanding is entered into on the \_\_\_\_\_ of March, 2013.

This agreement may be revised only with the signatures of the leaders of both institutions.
