  - Add footnote #6: To be selected from upper-level (3000-4000 level) courses within the College of Arts and Letters or from concentration area.

B. Make the following changes to the General Studies (734 & 733) degree programs:

• Delete the section titled: Entrance Requirements for Four-Year Program.
• Revise item #2 under the Requirements for the Bachelor of General Studies Degree to read: A minimum of 120 semester hours of academic work is required for the degree.

Minutes - Curriculum Review Council
October 12, 2010
• Revise item #7 under the Requirements for the Bachelor of General Studies Degree to read: Special requirements: Completion of an approved minor, 6 semester hours in a single foreign language, and 3 semester hours of computer electives.

• Revise item #8 under the Requirements for the Bachelor of General Studies Degree to read: A minimum of 30 hours of the 120 taken in courses numbered 3000 or above, and an additional 15 hours in courses numbered 4000 or above.

• Delete the section titled Requirements for the American Humanities Certification (also delete same, Pg. 25 of 2010-11 catalog).

• Delete Journalism as an option in the Arts and Communication concentration area under the BGS and the Art academic enrichment group for the AGS.

• Delete the following concentration areas:
  • Aviation Science (734A)
  • Art (734A) (734I)

  • 2nd year – delete Humanities (9 hours), Health & Personal Fitness (2 hours); add COMM 1010 (3 hours), ENGL 2110 (3 hours), and HIST 1010, 1020, 2010, or 2020 (3 hours); reducing year total to 30 semester hours.
  • 3rd year – delete Health & Personal Fitness (2 hours); add 2 hours of Electives (1000-2000 level).

• Revise footnote #2 to read: Students must select from one of the following courses: COMP 1010, COMP 1020, CIS 1050, CIS 1800, CSC 1060, or approved computer elective.

Action: Dr. Kimberly McAllister noted the concentration numbers listed for Aviation Science and Art were the same (Seventh bullet item under Item-B). This was found to be a typographical error for ART. Correct concentration designation for ART is 7341. All items approved without opposition.
IV. College of Nursing and Allied Health
A. Make the following changes to the Radiologic Sciences (615) curriculum:
   • 1st year – delete PSYC 1010 (3 hours); add Behavioral Science¹ (3 hours).
   • 2nd year – delete Humanities¹ (6 hours); add ENGL 2110 (3 hours) and History² (3 hours).
B. Make the following changes to the master’s degree program provisional admission policy:
   • Delete (Retain) the following sentence (pg. 130 current University catalog):
     Provisional admission to a master’s degree program may be granted for one semester or summer term for students whose records, including GRE scores, have not been received and replace it with (and add): “Degree-seeking applicants for the M.S.N. must have all documentation on file prior to acceptance to the degree program. Students will not be admitted on provisional basis.”
   • Add the following statement to the end of the last paragraph under the Requirements for Admission to Graduate Study Include: (pg. 128 current University Catalog): However, non-degree seeking applicants for the M.S.N. program must have GRE scores, which are at or above the minimal score of 750, on file to be granted provisional admission status as a M.S.N. non-degree seeking student. The M.S.N. program will not admit degree seeking students on provisional basis.

Action: Dr. Pamela Simmons moved to amend Item B as follows:
(1) Reference 1st bullet: Retain the provisional admission statement currently in the University catalog and add the proposed new verbiage concerning degree-seeking M.S.N. applicants.
(2) Reference 2nd bullet: Based on Graduate Council action, it was also requested to consider revising the first sentence of the last paragraph under the Requirements for Admission to Graduate Study Include: (pg. 128 current University Catalog) to read: “Provisional admission to graduate studies for non-degree students may be granted for one semester or summer term for students whose records excluding GRE scores, have not been received.”
All items approved as amended without opposition.

V. Louisiana Scholars’ College
A. Make the following course changes:
   • SCRT 181W – change hour values from (4-4-0) to (3-3-0); delete subtitles: 09-Pop Culture in History, 10-Physical Concepts of Time, 14-The Influences of Science on Art.
   • SCCT 1820 – change hour values from (5-5-0) to (4-4-0).
   • SCCT 2810 – change hour values from (5-5-0) to (4-4-0).
   • SCCT 2820 – change hour values from (5-5-0) to (4-4-0).

Minutes - Curriculum Review Council
October 12, 2010
B. Add the following new course for undergraduate credit:
   - SPHI 3100 – Professional Ethics (3-3-0).

C. Delete the following Joint Major Programs:
   - Chemistry (836)
   - Heritage Resources (850)
   - Journalism (823)
   - Physics (832)
   - Political Science (853)

D. Delete the following Biology joint major concentration area:
   - Bioinformatics (838S)

Action: Dr. Bill Dickens questioned the offering of a Professional Ethics course (Item – B) by LSC. He noted that none of the programs offered through LSC relate to a professional degree. Dr. Lisa Abney stated that she had contacted Philosophy faculty and requested the development of an ethics course that would serve all disciplines. She indicated that this proposal may be in answer to that request. A representative from LSC was not present so Dr. Kimberly McAllister moved to table the item until questions could be addressed. Dr. Dickens seconded the motion, which was unanimously approved. All other items approved without opposition.
