BSN-DNP Program

Reapplication Process

For applicants who have applied to the BSN-DNP program in the immediate previous application cycle:

- a. Send an email to DNPapp@nsula.edu with the subject line: INTENT TO REAPPLY. There will not be a requirement to re-apply to the Graduate School or to pay the application fee again.
- b. Please include in the email that you intend to reapply to the BSN-DNP program as well as a brief synopsis of updated efforts that you have obtained during that off-cycle, such as obtaining graduate level courses, new certifications (ie: CCRN), or different working location (ie: transferred from ER to SICU).
- c. Please include current mailing address, e-mail and phone number(s).

Re-applications for the cycle immediately following the previous cycle will require:

- a. Updated transcripts ONLY if graduate level courses were taken.
- b. Updated letters of recommendation
- c. Updated certifications (CCRN, BLS, ACLS, PALS)

For applicants who applied to the BSN-DNP program prior to the immediately preceding cycle:

The application process will begin as if no previous application was received. Application to the Graduate School as well as to the BSN-DNP program will need to be made. An application fee will need to be paid to the Graduate School. All new supporting documents will need to be submitted as per the DNP Program requirements.
