

### **LPN to BSN (410B)**

#### **Who is eligible?**

The LPN/LVN who has:

- Successfully completed a state approved LPN/LVN program;
- Worked full-time in nursing practice for one year;
- Holds a current, unencumbered license to practice as a LPN/LVN.
- Have completed IV therapy

#### **What are the admission requirements?**

The LPN/LVN must:

- Meet the same admission criteria as the generic student which includes successful completion of the first three semesters of the curriculum pattern with a minimum 2.7 GPA;
- Achieve the minimum required score on the TEAS (the test may be repeated only one time. The LPN to BSN student who fails to achieve the minimum required score on the TEAS will not be admitted to the program (per APDG policy).

#### **What are the progression requirements?**

The LPN/LVN to BSN student must successfully complete:

- NURB 3030 (Nursing as a Profession), NURB 3050 (Pathophysiology), NURB 3060 (Health Assessment), and NURB 2170 (Dosage Calculation) before progressing. The LPN/LVN to BSN student who fails to achieve a minimum grade of "C" in NURB 3030, 3050, 3060, and / or 2170 may repeat the course one time. When repeating NURB 3060, the co-requisite course, NURB 3061 will, also, be required. A second failure in any course will result in dismissal from the CONAH (per APDG policy);
- ALHE 1020 (a credit exam is available). Successful completion of ALHE 1020 (Medical Terminology) is required prior to entering NURB 31310 (Adult Med/Surg), 3150 (Pharmacology) and 3160 (Nursing Research). The LPN/LVN to BSN student must achieve a Fundamentals Test Score of Level II or higher. The test may be repeated only one time. The Fundamentals Test will be administered in NURB 3130. **The LPN/LVN to BSN student who fails to achieve a Fundamentals Test Score of Level II or higher on the 2<sup>nd</sup> attempt may petition to enter NURB 3040, 3041, 3060 and 3061 (1<sup>st</sup> level nursing courses) on a competitive basis with generic students.**
