Students who select the Bachelor of Science in Nursing or the Associate of Science in Nursing as a major must meet University admission requirements and comply with academic regulations and policies. Students who have been dismissed from the ASN or BSN program at Northwestern are not eligible for readmission in either the ASN or BSN program for a minimum of 3 years.

Failure to disclose or to correctly answer the questions constitutes falsification of documents and may result in delay or denial of admittance. The Louisiana State Board of Nursing will conduct a criminal record check (CBC) on all applicants. For further information, students may refer to the “Guidelines for Denial or Delay of Licensure, Reinstatement, or the Right to practice Nursing as a Nursing Student,” article 3324 and 3331 located on the LSBN website: http://www.lsbn.state.la.us/Education/RNStudents.aspx. Students are encouraged to review the LSBN website, but be advised, the student is not to personally contact the LSBN without direct guidance from a faculty member.

If a student is admitted to the clinical sequence of the program, any subsequent disciplinary action, arrest, criminal charge or conviction, addiction, or impairment etc. shall also be reported IMMEDIATELY to the appropriate Program Director and to the Louisiana State Board of Nursing (LSBN).
