A student who officially resigns on or before the second day of class for each session will receive 100 percent credit to his account of all refundable fees.

A student who officially resigns on the third and fourth day of classes will receive a 50% credit to his account of refundable fees. Refundable fees include fees identified on the bill statement as registration fees, out-of-state fees, laboratory fees and student association fees. After this date, no refund or credit will be made. Courses dropped with a "W" are not refundable at any time and will not be credited to a student's account. In some cases, the refund policy will result in a reduction of charges and not a "cash" refund. **Students receiving Title IV assistance (Federal Financial Aid) will have their financial aid adjusted according to Federal Regulations.**
