Emotional Intelligence Assessment for DNP Program

As stated in the admission criteria, you are required to complete an Emotional Intelligence (EI) assessment. The EI assessment replaces the GRE requirement. You must purchase the book Emotional Intelligence 2.0 by Travis Bradberry (ISBN # 978-0974320625) in order to have access to the EI assessment. The book can be found here:

It is imperative that you purchase a NEW copy so you will have a new access code in order to complete the EI assessment. Please download a copy of your results and submit them along with your Graduate School application and other required materials. If you can any questions or additional information, please contact Charla Bumgardner at bumgardnerc@nsula.edu
