## REFUND POLICY

A student who officially resigns on or before the last day to register for credit will receive 100% credit to his/her account of all refundable fees. These include fees identified on the bill/statement as registration fees, out-of-state fees, laboratory fees, and student association fees. A student who officially resigns within seven calendar days after the last day to register for credit will receive 75% credit to his account of all refundable fees identified on the bill/statement as registration fees, out-of-state fees, and laboratory fees. A student who officially resigns within twelve calendar days after the last day to register for credit will receive 50% credit to his account of all refundable fees identified on the bill/statement as registration fees, out-of-state fees, and laboratory fees. After this date, no refund or credit will be made. Dropped courses are not refundable at any time and will not be credited to a student's account. In some cases, the refund policy will result in a reduction of charges and not a "cash" refund. Non-attendance of classes is not a basis for backing out registration fees. Students attending NSU for the first time and receiving Title IV assistance (Federal Financial Aid) will be refunded to Title IV if the student resigns during the first 60% of the enrollment period. Installment Fee-Payment in full is required on scheduled fee payment date. Accounts not paid in full will be assessed a \$85.00 nonrefundable Installment Plan Fee.
