REGISTRATION THROUGH myNSU

All currently admitted students may access the *NSUConnect* registration system through *myNSU* at <https://my.nsula.edu>. The registration system is designed so that only students can use the system to register, add, and/or drop their classes. Faculty members no longer have the capability to register students for classes.

## ADVISEMENT AND ALTERNATE PIN

NSU highly encourages all students to seek advisement through their major department. Go to the *NSUConnect* or Degree Works system via *myNSU* to see the name of your assigned academic advisor. Report to the department of your major if you need to change your advisor.

Alternate PIN: The following groups of students must meet with their academic advisor (in person or via telephone or email) to obtain an alternate PIN before they will be permitted to register by *NSUConnect* for the fall 2019 semester:

- All undergraduate students with less than 30 earned and currently registered hours;
- All students with 30 or more earned and currently registered hours with a cumulative GPA below 2.25;
- All Scholars' College students;
- All student athletes;
- Social Work (274) majors with fewer than 60 hours; and
- Biology (618), Computer Information Systems (102), Physical Sciences (637), and Veterinary Technology (725) majors.

## NON-DISCRIMINATION POLICY

It is the policy of Northwestern State University of Louisiana not to discriminate on the basis of race, color, religion, sex, national origin, age or disability, in its education programs, activities or employment practices as required by Title VI, and Title VII of the Civil Rights Act of 1964, Age Discrimination in Employment Act of 1967, the Equal Pay Act of 1963, the Americans with Disabilities Act of 1990, Executive Order 11246, sections 503 and 504 of the Rehabilitation Act of 1973 and Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974.

## REFUND POLICY

A student who officially resigns on or before the last day of regular register will receive 100% credit to his/her account of all refundable fees. These include fees identified on the bill/statement as registration fees, out-of-state fees, laboratory fees, and student association fees. A student who officially resigns on the first through the seventh day of classes will receive 75% credit to his account of all refundable fees identified on the bill/statement as registration fees, out-of-state fees, student association fees and laboratory fees. A student who officially resigns on the eighth through the twelfth day of classes will receive 50% credit to his account of all refundable fees identified on the bill/statement as registration fees, out-of-state fees, student association fees and laboratory fees. After this date, no refund or credit will be made. Dropped courses are not refundable at any time and will not be credited to a student's account. In some cases, the refund policy will result in a reduction of charges and not a "cash" refund. Non-attendance of classes is not a basis for backing out registration fees. Students attending NSU for the first time and receiving Title IV assistance (Federal Financial Aid) will be refunded to Title IV if the student resigns during the first 60% of the enrollment period. Installment Fee-Payment in full is required on scheduled fee payment date. Accounts not paid in full will be assessed a \$85.00 nonrefundable Installment Plan Fee.
