Very Important Notice – Please Read

The appearance of a name in the commencement program is presumptive evidence of graduation, but it is not regarded as conclusive. It is impossible to have an official commencement program since the program must be printed before candidates’ applications for a degree can be officially verified. Therefore, a name listed in the commencement program and the participation in the commencement ceremony do not guarantee the awarding of a degree. The official Northwestern State University transcript, sealed and signed by the University Registrar, is documented evidence of the student’s permanent academic record and the student’s possession of degree(s) awarded by NSU.

Please be aware that once all of your degree requirements have been met, verified, certified by your academic dean, and degree(s) awarded, the University Registrar’s Office will take the necessary steps to have your diploma(s) mailed to you as quickly as possible. Thank you for your cooperation, patience, and understanding. Our office wants to wish you success in your future endeavors.

Sincerely,

Lillie Frazier Bell
