NSU highly encourages all students to seek advisement through their major department. If you do not know who your advisor is, report to the department of your major for assignment of an advisor.

**Alternate PIN**: The following groups of students must meet with their academic advisor (in person or via telephone or email) to obtain an alternate PIN before they will be permitted to register by NSUConnect for the spring 2016 semester:

- All undergraduate students with less than 30 earned and currently registered hours
- All students with 30 or more earned and currently registered hours with a cumulative GPA below 2.25
- All Scholars’ College students
- All student athletes
- Social Work (274) majors with fewer than 60 hours
- Biology (618), Computer Information Systems (102), Physical Sciences (637), and Veterinary Technology (725) majors

### ALTERNATE PIN

The alternate PIN allows students to access the registration drop/add services on the NSUConnect system. Once a student accesses NSUConnect via myNSU and selects the Registration Drop/Add Class option, he/she is required to enter the alternate PIN before the system will allow registration functions.

The alternate PIN is a randomly generated six-digit number that is unique to the student. Additionally, the alternate PIN is term specific. For example, a student’s alternate PIN for fall will be different from the alternate PIN for spring.
