This is used to read your name as you cross the stage.

3. LINING UP: Standards will be placed in the concourse area of the coliseum. You will be lined up by rows within your college. Each new row starts at a standard when lining up. The first person on each row will line up first behind a standard; the last person, of a row will line up last. There will be staff members to assist each college. At all times, please follow the directions of the staff assisting your college.

4. HIGHEST GPA’S (Bachelor Degree Candidates only): The student with the highest GPA from each undergraduate college will lead their respective college into the coliseum and will sit on stage during the ceremony.

6. PROCESSIONAL INTO COLISEUM: Purple Jacket and Blue Key members will lead the students into the coliseum following the faculty. When you reach your row of chairs inside the coliseum, be sure to move down your row to allow room for everyone to fill the row. The first person behind a standard would go all the way to the outside seat of the row; the last person will take the last inside seat of the row. Do not skip chairs. At all times, please follow the directions of the ushers helping you.

7. Therefore, a name listed in the commencement program and the participation in the commencement ceremony do not guarantee the awarding of a degree. The official Northwestern State University transcript, sealed and signed by the University Registrar, is documented evidence of the student’s permanent academic record and the student’s possession of degree(s) awarded by NSU.

8. GRADUATE STUDENTS: Doctoral degree candidates will be the first ones to go across the stage. Specialist and master degree candidates must pause at the ramp until the academic dean has finished calling all Doctoral degree candidates. Be sure to take your commencement card to the stage with you.

9. UNDERGRADUATE STUDENTS: You will be escorted to the stage by an usher. Be sure to take your commencement card with you when you go to the stage. When you are escorted to the stage, the first person in line for the college must stop at the bottom of the ramp to the stage. When the emcee announces the dean to be presenting, go immediately up the ramp to the stage. A photographer will take a picture of each graduate as they receive their diploma cover on stage. Please watch for their directions as this moves very quickly. Upon exiting the stage, return to your seat and be seated.

The commencement card with your name and address will be given to the photographer to mail you a proof, prices, and information about ordering pictures. You are under no obligation to purchase these pictures.
GRADUATION WITH SPECIAL HONORS  
(Bachelor Degree Candidates Only)

Scholastic honors represent the highest form of recognition that can be bestowed upon a student by a university. As a means of acknowledging the efforts and accomplishments of students whose scholastic performance is most worthy, Northwestern State University is pleased to grant special distinction to graduating seniors who meet or surpass the standards described below.

Students who have an **overall** grade point average of at least 3.50 and through 3.699 will be recognized as graduating *cum laude*. Those with a grade point average of at least 3.70 and through 3.899 will graduate *magna cum laude*. Those with a grade point average of 3.90 or higher will graduate *summa cum laude*.

1. All grades earned, including all grades earned in repeated courses, are used in computing eligibility for Special Honors. That is, grades for repeated courses have to be added back into totals and recalculated into the grade point average.

2. Students will be eligible for academic honors as justified by the **entire** academic record, which includes courses taken prior to the declaration of Academic Bankruptcy.

3. Special exams and CLEP hours **cannot** be used in computing eligibility for special honors.

Students graduating with Special Honors (e.g. *cum laude*, *magna cum laude*, and *summa cum laude*) are recognized at commencement in the following ways: wear a medallion that will be provided at the ceremony and the academic dean will recognize the special honor from the commencement card.

When you go across the stage to receive your diploma cover, your academic dean will read the following from your commencement card: name, special honor, and GPA (for 4.0 only). These items will be read according to the following guidelines:

1. Students graduating with the highest GPA within each college and a perfect 4.0 GPA: Academic dean will read name, special honor, GPA, and indicate that these students are graduating with the highest GPA within that college.

2. Students graduating with the highest GPA within each college and have less than a 4.0 GPA: Academic dean will read name, special honor, and indicate that these students are graduating with the highest GPA within that college.

3. Students graduating with Special Honors: Deans will read name of student and special honor.
