History

Northwestern State University of Louisiana stands on ground that has been dedicated to learning for well over one hundred twenty years. Prior to the Civil War a portion of the present campus was the property of the Bullard family of Natchitoches. As early as 1856 the Bullard mansion was in use as a convent by the Religious Society of the Sacred Heart. The following year a school building was erected at the convent and in 1884 the town and parish of Natchitoches purchased the property. Three of the four great white columns that once supported the east gable of the mansion still stand on “The Hill” and often serve as the unofficial symbols of the university.

The campus, developed upon rolling hills and high river bottomland, is acknowledged to be one of the most spacious and attractive in the South. The natural beauty of the site drew people to it even in prehistoric times. Long the home of a major Indian tribe for which it was named, the French fortified Natchitoches in 1714 as an outpost of their New World Empire facing Spanish Texas to the west. The city today takes pride in its standing as the oldest permanent settlement in the entire Louisiana Purchase Territory. Although the fires of the Civil War scarred the Cane River Country, Natchitoches escaped relatively unharmed, and many traces of its colonial and antebellum heritage remain.

In 1884 the State Legislature by Act 51 created the Louisiana State Normal School for the preparation of teachers. Shortly after, a member of the Legislature, Leopold Caspari, offered the convent site as a campus for the school with the anticipated approval of the citizens of Natchitoches. The offer was accepted and from 1885 to 1918 the Normal School offered two years of study for the training of teachers. Baccalaureate programs were inaugurated, and the State Constitution, adopted in 1921, changed the name of the school to Louisiana State Normal College.

The resources and curricula of “Normal” grew steadily to meet the increasingly diverse requirements of Louisiana’s expanding population. In 1944 the institution’s excellent service in its broader role was accorded formal recognition by Act 326 of the Legislature, which changed its name to Northwestern State College of Louisiana.

Northwestern maintained and strengthened its long tradition of leadership in public service and academic endeavor and became, in 1954, the first college under the jurisdiction of the Louisiana State Board of Education to offer the Master’s degree. The Specialist in Education degree was first offered in 1966.

On June 18, 1970, Governor John J. McKeithen signed the legislative act, which brought the old campus its greatest distinction by changing its title to Northwestern State University of Louisiana.

In 1980 the old campus quadrangle where the columns stand was entered into the National Register of Historical Places under the title: “Normal Hill Historic District.”

Although, primarily a regional institution, Northwestern also offers an opportunity for education at other satellite locations specifically, distance learning is available in Leesville, Shreveport, and Alexandria. In addition to academics, these centers are also developing student life programs.
Chief Caddo

In March of 1962, the Lumberjacks of Stephen F. Austin College of Nacogdoches, Texas presented Northwestern State University with a black gum tree trunk from the SFA campus from which a statue was to be carved. The black gum tree weighed over a ton and was thirty inches in diameter.

A statue of Chief Caddo was chosen because of the historic founding of Natchitoches and Nacogdoches—legend holds the cities were named for twin brothers. Natchitoches means chinquapin eaters and Nacogdoches persimmon eaters.

It was carved by Harold Greene in Logansport and required over 200 hours of labor. The name “Chief Caddo” was selected in honor of the ancient federation of Caddo tribes, which once inhabited the northern Louisiana area. The final painting of the statue was done at Northwestern. The finished product stands 8 feet tall and weighs about 400 pounds. The first game for Chief Caddo was September 15, 1962. Northwestern won 23-6. Tradition has it that the winner of the annual NSU and SFA football game keeps Chief Caddo on their respective campus.

Christmas Festival

On the first Saturday in December, the city of Natchitoches brightens up for its annual Christmas Festival. Featuring a parade, a variety of booths, live entertainment, and a fireworks display, Natchitoches celebrates the Christmas season with a festival and display of lights, which has captured national attention.

Students take an active part in all aspects of the festival and are urged to invite family and friends to experience “The City of Lights” and its spectacular display.

Freshman Family Reunion

Sponsored by the First Year Experience, Freshman Family Reunion is a day shared by students and their families. Freshman Family Reunion gives parents an opportunity to visit their student’s home-away-from-home and experience college life! Activities include games and inflatables for younger siblings, and a family tailgate party. A Northwestern State football game highlights the day.
**Folk Festival**

The Natchitoches-Northwestern Annual Folk Festival celebrates Louisiana folk arts during the third weekend in July each summer. In addition to the exhibits, which feature an important industry or occupation, the festival presents a wide variety of traditional folk crafts, music and food. The festival attracts people regionally and nationally.

**Homecoming**

Homecoming is a special tradition in which students, alumni, friends, and the Natchitoches community participate. Held each fall, Homecoming is a week-long event featuring the Homecoming parade, pep rally, and class reunion. The highlight of Homecoming Week is the presentation of the Homecoming King and Queen and their Court and a special halftime show featuring the “Spirit of Northwestern” Marching Band.

**The Rock**

The rock, an imposing chunk of limestone, was brought to campus in the summer of 2006 by members of the university staff. Standing in solitary prominence between the Student Union and the Creative and Performing Arts Center, The Rock echoes the sentiment that “NSU Rocks!” The Rock serves as a student bulletin board. The layers of paint accumulate as the message on The Rock continuously changes to announce student events and activities.

**Lady of the Bracelet**

In the early 1920s, the Potpourri, Northwestern’s yearbook, sponsored the first beauty pageant held on the university campus. The contestants were selected from photographs submitted to well-known producers for judgment and were chosen for their charm and beauty.

In 1959, Miss Kahne Dipola was crowned the first Miss Lady of the Bracelet and she received a gold bracelet to wear when she represented the University in public. Over the years, the bracelet has been passed down to each holder of the prestigious title.

Through the efforts of Mr. Robert W. Wilson, Sr., the Student Union Governing Board purchased the first franchise from the Miss Louisiana Pageant in 1971, enabling Northwestern’s Lady of the Bracelet to enter the state contest.

The Student Activities Board, formerly the Student Union Governing Board, has continued the tradition of sponsoring the Lady of the Bracelet Pageant for the
Traditions

enjoyment of the Northwestern community. The Lady of the Bracelet Pageant has gained state recognition for production, scholarship, and quality of contestants.

The Legend of Isabella

Isabella was a young French maiden, renowned for her beauty, who once lived in the original Bullard mansion after the Bullards were gone. The young lady had many suitors but preferred the company of a young man from the East, sent to Louisiana on business. They fell in love and were to be married. Shortly before the wedding date arrived the young man was killed in a duel. Legend has it that the duel concerned a dispute over another woman.

Isabella, overcome by grief became a nun and the French maiden's beauty wasted away through constant mourning of her intended. Everyone believed she had gone mad from grief and mourning. One stormy night she ended her mourning by plunging a dagger into her heart. Soon after, she was found dead in her room, with a bloody handprint on the wall.

Her spirit roamed Bullard mansion until it was torn down. Since then she has roamed various buildings on campus. She lived in East Hall until it was torn down in 1932. This was evident by the eyewitness accounts of girls who lived in East. From East Hall, Isabella's spirit moved to the Music Hall and resided there until 1946 then this building was also torn down. Just before the Music Hall was dismantled, a group of young men, dressed in sheets, coaxed Isabella from the doomed building.

From there she wandered aimlessly around campus from building to building (including East Varnado) for almost three years, until, becoming weary, she chose Caldwell Hall as her new residence. Speculation has it that Caldwell was chosen because of its close proximity to the original Bullard dwelling. According to newspaper articles the official date of the move was January 15, 1949. Reportedly a letter from the ghost was found on the steps of Caldwell along with a few drops of blood.

When Caldwell Hall burned in October 1982, a group of 750 students gathered and performed a ceremony on Halloween night that aided Isabella in her transition to her present location. Isabella's present residence is the Old Women's Gym (presently the National Center for Preservation Technology and Training) located on College Avenue beside Varnado Hall.

Mr. and Miss NSU

Beginning in 1956 and continuing the tradition today, Mr. and Miss NSU remains the highest honor a student can receive from their peers. SGA hosts the election
Traditions

each fall allowing NSU students to elect two of their peers. Mr. and Miss NSU is presented annually at an NSU home football game. These two outstanding students can be seen at other university events and activities throughout the year.

Purple Fridays

All students and employees are encouraged to wear purple on Fridays to promote Demon Spirit and a unified campus.

Purple and White

Northwestern’s official colors are purple and white. In the 1890s the colors were decided upon by two campus organizations, Seekers After Knowledge Literary Society and the Eclectic Literary Society. S.A.K. colors were purple and gold and E.L.S. colors were gold and white. The two organizations combined their colors and decided on purple and white as the Northwestern State University official school colors.

Vic The Demon

On November 8, 1923, by proclamation of President V. L. Roy and Coach H. Lee Prather, all athletic teams became known as the Demons. The name was decided upon by a contest open to all students with a grand prize of $10.00. A committee was appointed by the President to narrow down the names submitted by the student body. The final selection was decided by a vote of the students. The two most popular choices were Braves and Demons. Among other names submitted by students were Sharks, Daredevils, Musketeers, Pelicans, Prather’s Ground Hogs, Bloodhounds, Cyclops and Serpents. The official winners were Aileen Ritter and Truett Scarborough.

On September 22, 1984, the Demon received his official name by means of another contest, sponsored by the Athletic Department, the contest was open to faculty, staff, and students. The objective was to find a name for the Demon. Over 300 entries were submitted to the committee. The grand prize was an all-expense paid weekend at the Louisiana State Fair Classic. Ray Carney an alum of the University, was the official winner with “Vic” which is short for “Victory”.

The Inferno!

Each fall at the first home football game of the season, new students take Turpin Stadium by storm, forming the extension to the players’ tunnel as the Demon football team takes the field. All new students, including the Spirit of Northwestern Band and spirit group members, and all student-athletes, participate in this tradition.
Alma Mater

Oh, Alma Mater here today,
we for thy lasting blessings pray,
we know not where our paths may go,
but, thou’l uphord us still we know.
Unchanging thou, ’mid changes vast,
unswerved from ideals of the past,
steadfast and true, our watchword e’re shall be –
To thee, our Alma Mater, Loyalty!

Thy trees their solemn chorus bend
about thee, flowers their censers blend.
Our voices swell their murmuring strain,
our hearts repeat the old refrain,
thy purpose high to carry on Northwestern, thou has honor won!
Steadfast and true, our watchword e’re shall be –
To thee, our Alma Mater, Loyalty!

In after years, when far away,
thy presence strong will near us stay,
and as the echo of our son will, with new courage, lead us on;
And to our eager vision then each subtle memory meaning lend,
steadfast and true, our watchword e’re shall be –
To thee, our Alma Mater, Loyalty!

Demon Fight Song

Go ye Demons take the field.
Northwestern Demons never yield.
So, fight Demons win tonight, victory is on our side!

Go! Fight! Win!

Purple and white shall ever reign,
filling the air with battle strain.
So, Demons forever stand and fight for dear old Demonland.

ACADEMICS

Academic Advising

Academic Advising at Northwestern State helps students achieve their educational, personal, and career goals by providing guidance and assistance in all facets of their educational experience. It is regarded by the University as an extension of the teaching function and, therefore, as an important responsibility of the faculty. Students are assigned a faculty advisor in the department of their major. To find the name of your academic advisor, access myNSU via nsula.edu or contact the department directly. If you need additional assistance, please contact Academic Advising Services at (318) 357-6980 or via email at academi-
cadvising@nsula.edu.

Faculty advisors are available to students throughout the academic year, but their role is especially important during the registration process. The advisor explains university policies and procedures and assists students in planning a program that satisfies these requirements. The advisor also explores career alternatives and, when necessary, makes appropriate campus and community referrals on the student’s behalf. The student should be aware, however, that knowledge of and adherence to university regulations, both academic and otherwise, are ultimately the student’s responsibility.

Academic Calendar

The Academic Calendar, with important dates and deadlines, is published each year in the University Catalog and is available online at nsula.edu/registrar.

Academic Standing

There are three categories of academic standing: academic good standing, academic probation, and academic suspension (one semester or one year). Although students will usually receive official notification of academic standing, such notice is not a prerequisite to students being placed in one of the above categories. It is the responsibility of each student to ascertain academic status prior to the beginning of the next enrollment period. Professional departments or divisions within the university may set additional academic standards for progression in their programs. The word “semester” as applied in this policy, includes summer terms.

Address Change

A student must provide a local and permanent address at the time of admission to the University. Students may submit a request to change their address in the offices of the academic deans, academic department heads, or University Registrar. All requests must be submitted to the University Registrar’s Office for processing. A student is responsible for the
consequences of all communications sent to the address on file in the University Registrar’s Office (e.g., refunds, billing statements, probation/suspension status, grade reports, and financial aid information).

Current address information may be reviewed by accessing NSUConnect via myNSU at [my.nsula.edu](http://my.nsula.edu).

1. Enter your username and password to enter myNSU
2. Under the “Quick Links Menu” select “NSU Connect."
3. Select “Personal Information,” and then “Addresses and Phones.” Students may submit a request to change their address in the office of the academic deans, academic department heads, or University Registrar.

Mail or fax signed requests to the following address:
Northwestern State University
Registrar’s Office
Natchitoches, LA 71497
Fax number (318) 357-5823

Final Grades
Grades are entered on academic records at the end of each semester or summer session. Students may view their grades by accessing NSUConnect through myNSU at my.nsula.edu. The NSUConnect system is available 7 days a week, 24 hours a day, except for emergency maintenance. A student who requires an official report of grades may request an official transcript from the University Registrar’s Office.

Release of Records
The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. They are:

1. **The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.**

   Students should submit to the registrar written requests that identify the record(s) they wish to inspect. The registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained in the University Registrar’s Office, the registrar will advise the student of the correct official to whom the request should be addressed.

2. **The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading.**

   Students may ask the University to amend a record that they believe is inac-
accurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff), a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Supervisors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official committee in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility. Upon the student’s request, the University discloses education records to officials of another school (registrar to registrar) to which a student seeks or intends to enroll.

4. The right to file a complaint with the U. S. Department of Education concerning alleged failures by a state university to comply with the requirements of FERPA.

Students are required to obtain and carry a Northwestern State student identification card at all times. First-time students are issued a Northwestern State University identification card for the length of their stay at Northwestern. This card serves as a Sodexo meal card, Athletic and Theatre pass, as well as access to Computer Labs and Watson Library. It also serves as identification to SAB and SGA sponsored events throughout the year. The Northwestern ID card also functions as the student’s library card and is required to check out any books or materials from the Northwestern State University Watson Library, as well as the Shreveport and Leesville campus libraries.

The One Card also functions as a debit card for the Sodexo convenience store, the University Bookstore and all campus dining facilities. Students may deposit money on their One Card by coming to the One Card Office in the Student Services Center to complete an application.

The first issued card is free of charge. Each replacement for a lost, stolen, or broken card is $20.00. Cards reported stolen will be replaced free of charge with a police report provided at the time the card is made. Students with name or social security changes need to change information in the Registrar’s Office first and bring a copy of the information to the One Card Office and an ID will be replaced free of charge. No nicknames or preferred names will be allowed on ID cards; only official information that is on file with the Registrar will be printed on your Northwestern ID card.

ID cards are available in the One Card Office in the Student Services Center between the hours of 8:00 a.m. - 4:30 p.m. Monday through Thursday, and 8:00 a.m.-12:00 p.m. on Fridays (excluding holidays).

The original card will be permanently deactivated when a card is replaced. Your One Card is an access key and must be presented to enter numerous campus facilities, attend special events, obtain services, and utilize the library. Your card and related accounts are non-transferable. If your student ID card is given to anyone, the individual whose identity is represented on the card assumes all financial and/or criminal liability for the card's misuse.

At the beginning of every semester students are required to obtain a current semester sticker on the back of their student identification card that will indicate active enrollment during the respective semester. This process may be completed the week of fee payment or by visiting the One Card Office.

The Northwestern ID card functions as a debit card for those students who acti-
vate their Speed Demon Account. This declining balance account is separate from a university meal plan and can be used in campus coke and vending machines, the Sodexo convenience store, the University Bookstore and all campus dining facilities. Students may deposit money on their One Card by coming to the One Card Office in the Student Services Center, 3rd floor, to complete an application.

Northwestern has partnered with Bank of Montgomery (BOM) to provide free student checking to NSU students. Your student ID will serve as the debit card for this account. All transactions require a PIN for security.

Students also have the option of having their financial aid refunds or student worker payroll checks direct deposited into the checking account of their choice. Students must fill out the EFT (Electronic Funds Transfer) Form available in the Student Accounting Office in the Student Services Center, 3rd floor, or online at the One Card website. Along with the completed form, the student must provide a voided, blank check attached to the form. This enables Northwestern State to automatically deposit refunds directly into the students’ checking account.

Theatre and Dance Events

Northwestern State students are admitted free to all theatre events, with a current student ID and semester sticker. The stickers can be obtained from the One Card office at the beginning of each semester. Due to limited seating some productions require reservations, please call 318-357-4483 for more information.

Instructional Technology and Student Support

In accordance with Louisiana legislation, a Student Technology fee has been instituted to supplement (not replace) currently allocated funds for technology at Louisiana Colleges and Universities.

Fee Assessment: The Student Technology Fee charged to a student is five dollars per credit hour per semester, and shall not exceed $100.00 per semester. In accordance with L.R.S. 17:3351.1, assessment of the fee may be terminated by a two-thirds vote of the members of the governing board of each institution’s Student Government, and majority of the University of Louisiana Board of Supervisors. Based on each institution’s SGA Constitution, any decision might require a majority vote by the student body in a referendum.

Student Technology Advising Team (STAT) serves as a mechanism to allow proper
student involvement in the expenditure of technology fees. STAT will have sole authority over expenditures of the Student Technology Fee. The STAT committee shall oversee the student technology fee program of each campus with student membership accounting for a majority of the committee membership. The STAT committee hears and approves all proposals for use of the Student Technology Fee which must follow the tech fee guidelines and prove beneficial to the student body. Business may not be considered at any STAT meeting without a quorum, comprising at least two-thirds of the full committee membership.

All expenditures made for the student tech fee must be authorized in the annual budget recommended by the majority of the members of STAT and approved by the university president. Members of STAT will also serve on the Information Technology Advisory Council (ITAC). The ITAC committee, an at-will committee, serves to provide guidance and support to the university through the appropriate use of information technology.

Department of Wellness and Recreation (WRAC)

The Northwestern State Department of Wellness and Recreation is located in the heart of campus in the Wellness, Recreation, Activity Center (WRAC). This facility is open 7 days a week. The facility is open to students, faculty, staff, Northwestern State alumni, and Friends of NSU. This facility houses two gymnasiums, 15,000 square feet of strength, cardio, exercise equipment, group exercise studio, fitness assessment laboratory, locker/shower/steam room areas, three racquetball courts, equipment service center, indoor walking jogging track, and all of the Department of Wellness and Recreation Administrative offices.

The Wellness area provides over 20 group exercise classes each week, personal training, fitness assessments, and many health related seminars throughout the year. The intramurals area sponsors more than 20 sports and activities throughout the academic year. NSU Club Sports is available to all students interested in starting a club sports program. They may do so by filling out the proper paperwork through the Student Government Association located in the Student Union.

The Robert W. Wilson Recreation Complex

Northwestern State University is the only university in Louisiana with such a “student country club.” The Research and Development Committee of the Student Union Governing Board designed the Recreation Complex. The Complex features an Olympic-sized pool, and four tennis courts. There is also an eighteen-hole golf course that is open year round. Also included are a clubhouse and pro shop.

All Natchitoches campus students taking five hours or more are entitled to use the Complex simply by presenting their current identification card and, if playing golf, paying a small green fee. Non-university individuals may use the Complex by paying a daily fee or purchasing a membership.

Many activities are programmed at the Complex throughout the year. Student groups may reserve the club house by contacting the Recreation Complex Office.
Office of Student Activities and Organizations

Since a well-rounded education at Northwestern State is more than attending classes, a wide range of extra-curricular activities are offered to satisfy students’ needs. These activities are not separate and apart from the academic life; they serve to increase the total experience.

Activities at Northwestern are selected to suit the needs and interests of the students. Events involving the entire student body include concerts, dances, movies, ball games, exhibits, and forums featuring national figures in both formal and informal discussion. These and many other activities are planned and presented by the students themselves, serving on committees and with organizations.

Approximately 90 recognized student organizations are available to students. Offering something for everyone, these organizations give students ample opportunity to become involved in planning activities, making new friends, developing leadership qualities, and receiving recognition for a job well done. Recognized student organizations are classified as governmental, academic, professional, service, religious, social sororities/ fraternities, and special interest groups. Questions about organizations may be referred to the Director of Student Activities and Organizations.

Northwestern State offers a wide variety of recreational facilities for college students, including three gymnasiums, eight tennis courts, and the Student Union. These activities are supported by the University because they contribute strongly to the education of the student and provide excellent avenue, for self-development. First priority is given to Northwestern State students and recognized student organizations (RSO) in scheduling events. Questions concerning student activities should be directed to the Director of Student Activities and Organizations located in Room 103 of the Student Union. The professional staff advises student organizations about program planning, university policies and procedures, risk management, and the function of organizations. Policies for student organizations are contained in the Recognized Student Organization (RSO) Manual and are distributed each year by the Office of Student Activities. Furthermore, the Student Activities Board (SAB) operates from this office.

The SAB consists of seven programming committees that provide cultural, social, recreational, educational, and entertainment programs for the Northwestern State community. Involved students learn leadership and interpersonal skills through the process of planning, budgeting, and evaluating more than 150 individual programs each year. The staff in the Office of Student Activities and Organizations will help students find a way to get involved.

Student Media

The University recognizes the Current Sauce, Potpourri, Argus and KNWD-FM as the student media of Northwestern State University. These student publications
and the radio station serve dual purposes for the students. First and foremost, they were established to serve as forums for student expression, providing students with an opportunity to inquire, question and exchange ideas. Secondly, they provide students an opportunity to use and expand writing and broadcast skills. Students working in the media are expected to comply with the standards of ethics, law, fairness and accuracy.

In order to protect First Amendment rights of students, the University gives editorial control to students, with the publication editor or radio station manager having the final decision-making authority. Students are encouraged to consult with the faculty advisor about difficult editorial decisions, but the students make the editorial decisions.

Annually, the Student Media Board, as outlined in the Student Government Association Constitution, convenes for the purpose of selecting publication editors and a station manager. The selected editors and station manager appoint the other staff members. The term of each editor and the station manager shall be as stated in the Student Government Association Constitution. No prior restraint shall be exercised on Student Media. The University assumes no liability for the content of student publications and/or broadcast. If a publication or the station becomes subject to a lawsuit, the University will not provide legal assistance for student staff members.

The Media Board has the authority to decide on all matters of non-editorial policy not provided for in other University Policy. The University maintains a clearly written statement of its responsibilities to the student media.

**Student Affairs Council**

The Student Affairs Council operates under the auspices of the Dean of Students. The Student Affairs Council at Northwestern serves as an information exchange between Northwestern’s student body and the faculty and staff at the University. ### Service and Emotional Support/Assistance Animal Policy

**Confidential Student**

**Purpose**

Northwestern State University is committed to reasonably accommodate persons with disabilities who require the assistance of service or emotional support/assistance animals. The University is also mindful of the health and safety concerns of the campus community. Thus, Northwestern State University must balance the need of the individual with the disability with the potential impact of animals on other campus patrons. The successful implementation of the policy requires the cooperation of all students, faculty and staff.

**Definitions**

**Service Animal**

Any dog *individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability and meets the definition of “service animal” under the Americans with Disabilities Act (“ADA”). The work or tasks performed must be directly related to the individual’s disability.

Examples include, but are not limited to: assisting individuals who are blind or have low vision with navigation and other tasks, alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing non-violent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to the presence of allergens, retrieving items such as medicine or the telephone, providing physical support and assistance with balance and stability to individuals with mobility disabilities and helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors. The provision of emotional
support, well-being, comfort or companionship do not constitute work or tasks for the purposes of this definition.

**Emotional Support/Assistance Animal**
An emotional support/assistance animal is one that is necessary to afford the person with a disability an equal opportunity to use and enjoy University housing. An emotional support/assistance animal may provide physical assistance, calming, stability and other kinds of assistance. Assistance Animals do not perform work or tasks that would qualify them as “service animals” under the Americans with Disability Act.

**Policy**
1. **Service Animals**
   Northwestern State University faculty & staff will not ask about the nature or extent of a person's disability, but may make two inquiries to determine whether an animal qualifies as a service animal. Faculty and staff may ask:
   - If the animal is required because of a disability and:
   - What work or task the animal has been trained to perform.
   NSU cannot require documentation, such as proof that the animal has been certified, trained or licensed as a service animal. Generally, NSU may not make any inquiries about a service animal when it is readily apparent that an animal is trained to do work or perform tasks for an individual with a disability (e.g. the dog is observed guiding an individual who is blind or has low vision, pulling a person’s wheelchair or providing assistance with stability or balance to an individual with an observable mobility disability).

   Students utilizing service dogs on campus must register with the Office of Disability Support. Students with service dogs who plan to live in the Campus Living Villages housing will be asked to register with the Office of Disability Support. Specific questions related to the use of service animals on the NSU campus by visitors can be directed to the Office of Disability Support at (318)-357-4460.

   Only Service Animals will be allowed in any NSU building or structure and public events.

2. **Service Animals in Training**
   Individuals who desire an accommodation for a service animal in training must demonstrate that there is a proper training plan designed to work for the benefit of an individual with a disability. They must also abide by all relevant provisions of this policy. An animal being trained to be a service animal has all the same rights as a fully trained animal when accompanied by a trainer and identified as such.
3. Emotional Support/Assistance Animals*

Emotional support/assistance animals that are not considered service animals under the ADA may still be permitted, in certain circumstances, in the Campus Living Villages housing pursuant to the Fair Housing Act. An individual may keep an emotional support/assistance animal as an accommodation in housing if:

- The individual has a documented disability from appropriate provider;
- The animal is deemed necessary to afford the individual an equal opportunity to use and enjoy a dwelling; and
- There is an identifiable relationship between the disability and the assistance the animal provides.

**Emotional support/assistance animals are NOT allowed in any university building/facility other than the student’s residence.

4. On-campus housing requirements

A student requesting an emotional support/assistance animal that is living or planning to live in on-campus housing (Campus Living Villages) must register with the Office of Disability Support and complete the necessary paperwork.

The ODS may decline to approve a request for an emotional support/assistance animal, if an accommodation is unreasonable. An accommodation is unreasonable if it presents an undue financial or administrative burden on the University or poses a substantial and direct threat to personal or public safety or to the property of others, or constitutes a fundamental alteration of the nature of the service or program.

All roommates and/or suitemates of the owner must sign an agreement acknowledging that the emotional support/assistance animal may be moved to another location, as determined by the Campus Living Villages staff and asked to find a roommate/suitemate willing to sign the agreement.

If an emotional support/assistance animal owner is found to be in violation of the emotional support/assistance animal policy, then the animal and/or the owner may be removed from the Campus Living Villages.

Service & Emotional Support/Assistance Animal Owner Responsibilities

The Owner of the Service or Emotional Support Animal is expected to accept the following responsibilities*:

- Students receiving this accommodation are limited to one (1) animal.

• The Owner, not the university or another resident/student, is responsible for the care and conduct of the animal.

  - Other behaviors that may be disruptive including digging, barking howling, whining, etc.

• NSU is not responsible for an animal during a fire alarm, fire drill or natural disaster/emergency.

• An animal cannot be left alone for more than 12 hours. The owner is responsible for finding appropriate accommodations for the animal when they will be leaving for a period of more than 12 hours.

• The owner is responsible for any bodily injury or damage caused by the animal to any individual and is also responsible for the subsequent charges.
• The owner must notify the ODS and Campus Living Villages when the animal is no longer needed in the residence.

• If the owner is seeking to replace an animal with another, the student must file a new requires and documentation.

• Approvals are only good for the academic semester in which the approval is made. A new request/notification must be each semester.

• It is the owner’s responsibility to keep a dog or cat on flea and tick control. The owner will be responsible for the cost of eliminating any pest infestation as a result of the animal. The student is responsible for the cost of extermination.

*Failure to comply with any of the above policies may result in consequences by the Dean of Students/Student Conduct and/or the removal of the animal and the owner of the animal. In addition, the owner could possibly incur fines of $50.

Other Non-Service and Non-Emotional Support Animals

Guests and University community members are allowed to walk their dogs on campus. However, the animal must be under the care and control of the owner at all times. Animal must be leashed. Owners are expected to dispose of animal waste. No waste is to be disposed of in any trash receptacle inside any building, or through any sewer system (sinks and toilets) inside campus buildings; outside dumpsters should be used. No animal, with the exception of service animals approved by the Office of Disability support, will be allowed at public venues, events (except pet invited events) or inside buildings. The animal must be leash trained and may not cause a disturbance to others. The owner of the animal, not Northwestern State University, is held responsible for damages to persons or property damages caused by animals. Northwestern State University reserves the right to deny access to campus to animals and owners who violate this policy.

Conflicting Disabilities

Students with medical condition(s) that are affected by animals (respiratory diseases, asthma and severe allergies) should contact the Office of Disability Support if they have a health or safety related concern about exposure to a service or emotional support/assistance animal. The individual will be asked to provide medical documentation that identifies the conditions and will allow determination to be made as to whether the condition is disabling and whether there is a need for accommodation.

The Office of Disability Support, Dean of Students, Campus Living Villages and NSU Police will work to resolve any conflict in a timely manner, considering the conflicting needs and/or accommodations of all persons involved.

When human beings are used as subjects in research projects, safeguards must be established to protect their health, well-being, and rights. Under the policies established by the United States Department of Health and Human Services (HHS), this protection is extended to all human subjects regardless of the nature of the research being performed. In response to this policy Northwestern State University established the Committee on the Protection of Human Subjects in Research to review all research proposals involving human subjects. University policy requires that all research proposals for which data is to be collected from human subjects shall be submitted to this committee to determine whether an exemption applies or whether a review is required.

It is the responsibility of the faculty member to assure compliance with this policy in research conducted by either a student advisee or the faculty member. In 1981 the HHS revised guidelines and exempted certain forms of research involving subjects from review. These forms of research are as follows:
Policies and Procedures

• Common Education Practices
  Research involving regular or special instructional strategies, or research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom methods.

• Educational Testing
  Research involving the use of educational tests (cognitive, diagnostic, aptitude, and/or achievement) if information taken from these sources is recorded in such a manner that subjects cannot be identified directly or through identifiers linked to the subjects.

Survey and Observation
Any research involving survey and observation is exempt except where any one of the following exists: (a) subjects can be identified either directly or indirectly; (b) subject responses if they become known outside the research could place the subject at risk of criminal or civic liability or be damaging to the subject’s financial standing or employability; or (c) the research deals with sensitive aspects of the subject’s own behavior, such as illegal conduct, drug use, sexual behavior, or use of alcohol.

*All research involving survey or interview procedures is exempt, without exception, when the respondents are elected or appointed public officials or candidates for public office.

Risk Management for Student Organizations

Student organizations are expected to conduct activities and events in a manner which supports the educational mission of the University, as well as to comply with all federal, state, and local laws, and University policies and procedures. The University is committed to providing students and student organizations with policies and procedures that support low risk, healthy, and safe events on and off campus. All events on campus or during organization-sponsored activities, or any event an observer would associate with the University and/or organization, including off-campus events, must be in compliance with the following policies for student organizations. Northwestern State University does not endorse student organization sponsored events held on or off campus, where alcohol is present. Northwestern State University assumes no legal responsibility or liability for the activities, on or off campus, of student organizations. The purpose of the anti-hazing policies and procedures is to ensure that safety remains a top priority in planning and implementing events for student organizations.

Cyberbullying

Cyberbullying involves the use of information technology (email, websites, social networking, internet messaging, or any other technology) for hostile behavior to harm or to upset others. A person cannot easily get away from cyberbullying since using email and the internet are everyday practices. Northwestern State prohibits all forms of cyberbullying. Please refer to the Student Code of Conduct within the handbook.

Student Complaints

Northwestern State University recognizes a student’s need to express grievances during the college experience. The Dean of Students and Student Accountability and Advocacy offices function to assist students in lodging and resolving such complaints. Students may contact the Dean of Students or the office of Accountability and Advocacy to file a written complaint and/or for assistance in filing complaints.

Northwestern State University students who wish to lodge a written complaint about an employee of the institution (faculty or staff), another student, policies and procedures, harassment, bullying, sexual harassment, equal access or other complaints, should contact the Dean of Students at deanofstudents@nsula.edu.
Ordinarily, complaints against students or student organizations follow Article V or Article VII (Title IX) of the Student Code of Conduct and complaints against employees of the university or its agents follow the Student Grievance Procedure found in Appendix I or II (Title IX) in the Student Code of Conduct. Students should seek clarification from the the Student Accountability and Advocacy Office or Dean of Students when filing a complaint.

**Student Complaints may be categorized as follows:**

1. complaints about an employee (faculty or staff) of the institution (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).

2. complaints about another student or organization (See Article V of the Student Code of Conduct).

3. complaints against a department (it’s policies or procedures) (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).

4. complaints of sexual harassment against an employee or another student and all student related Title IX complaints (Sexual Misconduct Policy, Article VII, and Appendix II in the Code of Conduct).

5. complaints of harassment or bullying by a student or student organization (See the Student Grievance Procedure, Article V in the Student Code of Conduct); complaints of bullying or harassment by faculty or staff (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).

6. complaints about equal opportunity access (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).

7. other complaints not included above (Contact the Student Accountability and Advocacy offices or the Dean of Students).

The Dean of Students and Student Accountability and Advocacy offices realize that in certain situations, it is inappropriate for students to meet with the person against whom they wish to lodge a complaint. In such cases, a designee from the dean’s offices may act as a liaison or assist the student in meeting with the person or that person’s supervisor. Complaints may be formal (written grievances) or informal. Whatever the circumstances, the Dean of Students or Student Accountability and Advocacy offices will assist students in the process of filing complaints. Northwestern State strives to maintain the confidentiality of the parties involved in the grievance process.

**Student Appeals**

Student Appeals are not considered complaints. However, Northwestern seeks to allow students to appeal University policy and decisions when the student
believes they have experienced unusual circumstances which may be out of their control or when the student believes the University failed to follow policy. Students may seek assistance at any time from the Student Accountability and Advocacy offices or the Dean of Students.

**Student Appeals are categorized as follows:**

1. Admission Appeal (to determine if there is an exception, see [https://www.nsula.edu/admissions/](https://www.nsula.edu/admissions/))
2. Academic Suspension Appeal (to allow an appeal of academic suspension, see program department head [https://www nsula.edu/academicprograms-2/](https://www.nsula.edu/academicprograms-2/))
3. Admission Access Appeal (to allow registration with balance, see [https://www.nsula.edu/onecard/](https://www.nsula.edu/onecard/))
4. Grade Appeal/Registration, Credits and Graduation (to change grades, issue credit, see [https://www.nsula.edu/registrar/](https://www.nsula.edu/registrar/))
5. Financial Aid and Scholarship Appeal (to maintain financial aid awards, see [https://www nsula.edu/financialaid/](https://www.nsula.edu/financialaid/))
6. Residency Appeal (to waive out of state tuition, see [https://www.nsula.edu/registrar/](https://www.nsula.edu/registrar/))
7. Auxiliary Services Appeal (to waive on campus living and food service requirements, see [https://www nsula.edu/onecard/](https://www.nsula.edu/onecard/))
8. Parking and Traffic Appeal (to waive tickets or fees, see [https://www.nsula.edu/campus-parking-and-driving-regulations/](https://www.nsula.edu/campus-parking-and-driving-regulations/))
9. Disciplinary Appeal (to overturn sanction in conduct hearing, see [https://www.nsula.edu/studenthandbook/](https://www.nsula.edu/studenthandbook/))
10. Retroactive Withdrawal/Resignation or Cancelation Appeal (to allow various post semester withdrawals with documented extenuating circumstances, see [https://www.nsula.edu/registrar/](https://www.nsula.edu/registrar/))

All student appeals are reviewed by committees at the last level of the appeal. However, in some cases, appeal may originate and be resolved with individual employees.

**SEXUAL MISCONDUCT POLICY**

**Introduction**

Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681) prohibits discrimination based on the sex of students and employees of educational institutions which receive federal financial assistance. To ensure compliance with Title IX and other federal, state, and local civil rights laws, Northwestern State University
prohibits discrimination based on sex, orientation, gender identity, and gender expression; Northwestern State University prohibits sexual misconduct including sexual harassment, sexual assault, sexual exploitation, interpersonal violence, coercion, and stalking; furthermore, Northwestern State University prohibits retaliation of any kind against individuals who have made good faith reports or complaints regarding violations of policies, procedures, and the Code of Conduct. It is the intention of NSU to take whatever action necessary to prevent or correct sex discrimination, sexual misconduct, and retaliation. If necessary, sanctions will be given to those who act in violation of this policy.

The University is committed to:

- Taking immediate action in the investigations of alleged incidents
- Being prompt in taking the necessary steps to end sex-based discrimination, sexual violence and harassment, prevent recurrence, and to address the effects
- Protecting the complainant and all others involved, and implementing interim measures throughout the duration of the investigation. Interim measures include, but are not limited to, assisting students in moving residence halls, changing the students’ schedule, changing transportation options (if applicable), issuing no contact directives, and any other reasonable accommodations.
- Basing investigations on a preponderance of evidence standard to resolve complaints of sex discrimination, sexual violence, and harassment.
- Notifying the complainant and respondent of the outcome of all complaints and investigations.

For an overview of Title IX of the Education Amendments of 1972, please visit Justice.gov.

Scope of Policy: The policy covers Northwestern State University students, faculty, staff, visitors to the campus, third parties, and contractors. If an incident of sexual misconduct occurs off campus but is related to an NSU event or affiliated individual, NSU will investigate and take proper action if notified and/or reported.

Members of the NSU community – students, faculty, staff, and the administration – are entitled to a professional environment free from harassment or interference for reasons unrelated to the performance of their duties. Some members of the community hold positions of authority that may involve the legitimate exercise of power over others. It is the responsibility of the person in authority to be sensitive to the power to avoid actions that are abusive or unprofessional. Faculty and supervisors need to be aware of potential conflicts of interest and the possible compromise of their evaluative capacity in relationships with students and other fellow employees.
Because there is an inherent power difference in these relationships, the potential exists for the less powerful person to perceive a coercive element in suggestions regarding activities outside those appropriate to a strictly professional relationship. It is the responsibility of faculty, staff and students to behave in such a manner that their words or actions will not reasonably be perceived as suggestive or coercive.

Confidentiality: All reports of sex discrimination and sexual misconduct are treated as confidential to the greatest extent possible; the privacy of all individuals involved is important to the University. In most situations, only individuals involved in the resolution of the situation will have access to the information about the case. If there is a risk of the alleged perpetrator committing additional crimes, if a student is in immediate danger, or if there has been expressed intent to harm others, or other risks such as involvement of a weapon or the age of the students involved, the University may determine that it is necessary to compromise the level of privacy provided.

Freedom of Speech: Northwestern will not implement this policy or procedures in a manner that infringes on the First Amendment Rights of any individual.

Amnesty: Northwestern State University provides amnesty for any student who reports, in good faith, a crime that is greater or more heinous to a Confidential Advisor, Responsible Employee, or Campus Security Authority. Students shall not be sanctioned for non-violent student conduct violations, such as underage drinking. Amnesty cannot be granted when:

- The crime committed is a felony
- The crime committed caused harm to another person or placed another in fear of imminent harm
- The crime committed caused substantial property damage or loss
- The crime committed caused severe loss of critical services

Reporting and Assistance: At Northwestern State University, we strive to create a community of respect. While we understand the rights of an individual to make the best decision for themselves, we encourage reporting sexual misconduct in order to protect our community and identify crime trends. It’s on us as a community to recognize that non-consensual sex is sexual assault; to identify situations in which sexual assault may occur; to intervene in situations where consent has not or cannot been given; to create an environment in which sexual assault is unacceptable and survivors are supported.

If a student discloses an incident they will learn options for assistance, such as health and wellbeing counseling, residence and class accommodations, and options for filing complaints or criminal charges. Disclosure to NSU personnel will not obligate the complainant to file a complaint or criminal charge, nor will it subject the complainant to scrutiny or judgmental opinions.
For immediate assistance:

- Get to a safe place where you can receive emotional support.
- Obtain necessary medical treatment in a timely manner.
- For a forensic exam, it is ideal for you to not bathe, shower, douche, use the toilet, or change clothing prior; evidence can be collected up to 120 hours after an assault.

The Natchitoches Parish Regional Medical Center and the Natchitoches Parish Coroner’s office will provide a Victim Advocate and a Sexual Assault Nurse Examiner (SANE) once you arrive at the hospital. You may request a Confidential Advisor from the University to attend the hospital visit. Please note, getting a forensic exam for evidence collection is encouraged, but it is completely voluntary and up to the victim/survivor to choose to participate.

Counseling can be beneficial whether you decide to report, or not. Taking steps for self-care provides empowerment.

Responsible Employees: A Responsible Employee is a University employee who has the authority to redress sexual violence, who has the duty to report incidents of sexual violence or other student misconduct, or who a student could reasonably believe has this authority or duty.

When an individual tells a Responsible Employee about an incident of sexual violence, the individual has the right to expect the University to take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably. A Responsible Employee must report to the Title IX Coordinator all relevant details about the alleged sexual misconduct shared by the individual, including name of the individual who allegedly experienced sexual misconduct and alleged perpetrator(s), any witnesses, and any other relevant facts, including the date, time and specific location of the alleged incident. To the extent possible, information reported to a Responsible Employee will be shared only with people responsible for handling the University’s response to the report.

Campus Security Authority: A campus security authority has a significant responsibility for students and campus activities. The function of an NSU Campus Security Authority is to report allegations of Clery Act crimes that he/she receives to the campus police, security department, and/or the Title IX Office. CSAs are responsible for reporting allegations of Clery Act crimes that are reported to them. CSAs are not responsible for investigating or reporting incidents that they overhear students talking about in a hallway conversation; that classmate or student mentions during an in-class discussion; that a victim mentions during a speech, workshop, or any other form of group presentation; or that the CSA
otherwise learns about in an indirect manner. You are considered a CSA at NSU if your official responsibilities or job titles include:

- A dean of students who oversees student housing, a student center, or student extracurricular activities;
- A director of athletics, all athletic coaches (including part-time employees and graduate assistants);
- A faculty advisor to a student group;

DEFINITIONS

No matter how carefully worded a definition of sexual misconduct may be, situations may arise outside of these definitions. Therefore a sexual offense at Northwestern State University is defined but not limited to the following:

**Sexual Misconduct** is a sexual act or contact of a sexual nature that occurs, regardless of personal relationship, without the consent of the other person(s) or that occurs when the person(s) is unable to give consent or whose consent is coerced or obtained in a fraudulent manner. Public universities in the State of Louisiana shall use the federal and state definitions of the following terms when making all decisions regarding sexual misconduct including publication of definitions, disciplinary decisions, Clery reporting decisions, campus climate decisions, and training and prevention decisions. If there are any changes to state and federal law, definitions must be amended to reflect any changes to federal and state laws and regulations.

**Sexual Assault as defined by the Clery Act:** Any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent. This includes rape, fondling, incest, and statutory rape.

**Stalking as defined by Louisiana state law:** Stalking is the intentional and repeated following or harassing of another person that would cause a reasonable person to feel alarmed or to suffer emotional distress. Stalking shall include but not be limited to the intentional and repeated uninvited presence of the perpetrator at another person’s home, workplace, school, or any place which would cause a reasonable person to be alarmed, or to suffer emotional distress as a result of verbal, written or behaviorally implied threats of death, bodily injury, sexual assault, kidnaping, or any other statutory criminal act to themselves or any member of their family or any person with whom they are acquainted. La. RS § 14:40.2(A) “Harassing” means the repeated pattern of verbal communications or nonverbal behavior without invitation which includes but is not limited to making telephone calls, transmitting electronic mail, sending messages via a third party, or sending letters or pictures. “Pattern of conduct” means a series of acts over a period of time, however short, evidencing an intent to inflict a continuity of emotional distress upon the person. Constitutionally protected activity is not included within the meaning of pattern of conduct. La. RS § 14:40.2(C)
**Domestic Violence definition in Clery Act:**

- By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- By any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

**Domestic abuse definition in Louisiana law:**
Includes but is not limited to physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one family or household member against another. La. RS 46:2132(3)

**Family violence definition in Louisiana law:** means any assault, battery, or other physical abuse which occurs between family or household members, who reside together or who formerly resided together. La. RS § 46.2121.1(2)

**Dating Violence definition in Clery Act:**

The existence of such a relationship will be determined based on a consideration of the length and type of relationship and the frequency of interaction.

**Dating Violence definition in Louisiana law:**
“Dating violence” includes but is not limited to physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one dating partner against the other. La. RS § 46.2151(C) For purposes of this Section, “dating partner” means any person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:

1. The length of the relationship.
2. The type of relationship.
3. The frequency of interaction between the persons involved in the relationship.

Although the following definitions are not defined by state and/or federal law, the following definitions shall also be used in institutional policy and in the implementation thereof by all Louisiana public postsecondary education institutions.

**Sexual Harassment:** Unwelcome conduct of a sexual nature when i) submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or education; ii) submission to or rejection of such conduct by a person is used as the basis for a decision affecting that person's employment or education; or iii) such conduct has the purpose or effect of unreasonably interfering with a person's employment or education, or creating an intimidating, hostile, or offensive employment or educational environment, and has no legitimate relationship to the subject matter of a course or academic research. Sexual Harassment also includes non-sexual harassment or discrimination of a person because of the person's sex and/or gender identity or gender expression, including harassment based on the person's nonconformity with gender identity or gender expression. For purposes of this Policy, the various forms of prohibited Sexual Harassment are referred to as “Sexual Misconduct.”

**Retaliation:** Acts or attempted acts for the purpose of interfering with any report, investigation, or proceeding under this policy, or as retribution or revenge against anyone who has reported Sexual misconduct or relationship violence or who has participated (or is expected to participate) in any manner in an investigation, or proceeding under this Policy. Prohibited retaliatory acts include, but are not limited to, intimidation, threats, coercion, or discrimination. Title IX prohibits retaliation. For purposes of this policy, an attempt requires a substantial step towards committing a violation.

**Consent:** Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate consent. Consent must be knowing and voluntary. To give Consent, a person must be of legal age. Assent does not constitute Consent if obtained through coercion or from an individual whom the alleged offender knows or reasonably should know is Incapacitated. The responsibility of obtaining consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of consent has been expressed, the sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving consent. A current or previous consensual dating or sexual relationship between the parties does not itself imply consent or preclude a finding of responsibility.
**Incapacitation:** An individual is considered to be Incapacitated if, by reason of mental or physical condition, the individual is manifestly unable to make a knowing and deliberate choice to engage in sexual activity. Being drunk or intoxicated can lead to Incapacitation; however, someone who is drunk or intoxicated is not necessarily Incapacitated, as Incapacitation is a state beyond drunkenness or intoxication. Individuals who are asleep, unresponsive or unconscious are Incapacitated. Other indicators that an individual may be Incapacitated include, but are not limited to, inability to communicate coherently, inability to dress/undress without assistance, inability to walk without assistance, slurred speech, loss of coordination, vomiting, or inability to perform other physical or cognitive tasks without assistance.

**Coercion:** is the use of express or implied threats, intimidation, or physical force which places an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. Coercion also includes administering a drug, intoxicant, or similar substance with the intent to impair that person's ability to consent prior to engaging in sexual activity.

**Prevention and Awareness**

One in five women is sexually assaulted while in college. Most often, it happens her freshman or sophomore year. Male students are 78% more likely to be a victim/survivor of sexual offenses. In the great majority of cases, sexual assaults are perpetrated by the victim/survivor knows – and most often what happened is not reported.

Title IX coordinators, University police, residential life staff, campus counselors, health care professionals, confidential advisors, faculty and staff have received training concerning Title IX, Clery, VAWA, and state and local policies and procedures.

Educational programming for students is provided, including ongoing prevention and awareness campaigns, bystander intervention, and risk reduction in the area of sexual assault and harassment.

**PROCEDURES FOR SEXUAL MISCONDUCT COMPLAINTS**

Any University student who believes that they have been the victim of sexual misconduct may seek to resolve the matter through an Informal or Formal Complaint process. More details about the Formal Complaint process can be found in Article IX and Appendix II (Title IX Grievance against an NSU Employee) of the Code of Conduct.

The Director of Student Advocacy, Alexis Finnie (Student Union, 308; (318) 357-5570) is the designated Title IX Coordinator for students at Northwestern State University. Students are encouraged to seek assistance from the Title IX Coordinator for all Title IX related complaints. The Title IX Coordinator may appoint additional advocates for students during proceedings. The Title IX Coordinator will defer to the Student Conduct Officer during a formal complaint proceeding for the determination or disposition/sanctioning phase of the complaint process.

**Student Title IX Coordinator’s Responsibilities Include:**

1. Notification and Education
2. Consultation, Investigation and Disposition
3. Assists in institutional compliance and acts as liaison to Vice Presidents and President
4. Record Maintenance and Report

Sexual misconduct complaints may involve a student complaint against another student, a member of the University community, or a member of a third party related to the University.

If the complaint is an informal complaint or non-criminal in nature, and complainant and respondent understand and acknowledge the substance of the complaint and the requested resolution, the complaint may be resolved informally if appropriate. An informal resolution may be inappropriate for complaints involving physical contact possibly criminal in nature (i.e., sexual assault). An informal resolution may result in a written agreement, mediation, or other fair and equitable action deemed appropriate by the Title IX Coordinator, or designee, depending on the circumstances. If the Complainant chooses to file an informal complaint, the Complainant has the right to end the informal process at
any time and the right to pursue a formal complaint and/or take legal action. If there is an increased risk of an alleged perpetrator committing additional acts of violence, if there is involvement of a weapon, if the age of the students involved, or if other risk factors exist, the University may investigate and possibly pursue action which may compromise confidentiality.

**Informal Complaint Resolution**

**The Title IX Coordinator:**

- Receives and reviews the Complaint. The Title IX Coordinator may ask for written documentation.

- Sends Notification to the Complainant and the Respondent of the receipt of an Informal Complaint.

- Schedules a preliminary meeting with the Complainant to discuss allegations and the desired outcome.
  - May advise the student to obtain appropriate assistance such as counseling, assistance from a confidential advisor, or student advocate.
  - May interview others (witnesses).
  - May issue no contact directives, although this is not a judicial finding.
  - Will determine whether the complaint is valid, needs to be heard in another venue, or needs to move to formal resolution.

- Schedules meetings with the Respondent as necessary or requested.
  - May schedule a meeting with the Respondent and Complainant if desired and acceptable by both parties. Such meetings are not appropriate in cases of sexual assault.

- Will suggest remedies for both Complainant and Respondent to come to a fair and equitable resolution.

- Will provide written documentation of the resolution to both parties, copied to the Vice President of the Student Experience.

*If an informal resolution is not satisfactory, a formal complaint process will begin. The Complainant or the Title IX Coordinator can dismiss the Informal Complaint Resolution and pursue a Formal Complaint Resolution, if necessary.

**A Formal Complaint** is one where the facts or remedy may be disputed. A formal resolution will result in an investigation, determination of responsibility, and sanctions if applicable. Depending on the seriousness of the offense, disciplinary sanctions may range from educational alternatives to expulsion. There are appeals available to both Complainant and Respondent, and the University will follow due process, respect confidentiality, and respect the rights of the Complainant and Respondent through the process and resolution.
Formal Complaint Resolution

1. The Title IX Coordinator receives and reviews the complaint. The Complaint Form should be completed and signed by either the Complainant or the Title IX Coordinator on behalf of the Complainant.

2. The Respondent will be called to a meeting with the Student Conduct Officer and informed of the Complaint. The Respondent may be issued a preliminary directive to stay away from the Complainant as an interim measure, although this is not a judicial finding.

Preliminary Investigation

3. The Title IX Coordinator conducts the Preliminary Investigation. The Preliminary Investigation is a review of the incident description, files history, facts, and patterns. The Title IX Coordinator may interview the complainant, respondent, and witnesses, and ask for supporting written documentation. However, in order to maintain privacy for all parties, a copy of the Formal Complaint is the only document which will be released to either party.

4. If after the preliminary Investigation the Student Conduct Officer determines that the Complaint is properly handled through another Complaint mechanism, the Complaint will be routed accordingly.

5. The names of the Disciplinary Appeals Committee, who have been selected to review an Appeal, if any, will be provided to both parties. An opportunity for either party to object to any member will be offered.

Investigation

6. Both parties will be instructed not to conduct their own Investigation and to provide any relevant information, such as a list of potential witnesses, to the Title IX Coordinator. Instructions are also provided regarding the confidentiality of information and how to review files.

7. The Title IX Coordinator will conduct the Investigation, or may designate an alternative trained investigator, or may ask for the assistance from another trained campus investigator, such as a University Police Investigator. The investigator(s) will interview all individuals involved in the Complaint and compile documentation.

Complaint Determination

8. The Student Conduct Officer will receive all Investigation reports and will make a Determination as to whether specific violations of the Sexual Misconduct Policy occurred.

9. The decision will be substantiated using the preponderance of evidence standard. A Determination can also be made that the allegations, while made in good faith, were not true.
The Student Conduct Officer or appropriate designee may contact either party to ask clarifying questions prior to making a determination but is not required to do so.

Complainant and respondent will be notified in writing regarding the decisions issued through the issuance of a Determination Letter with five (5) University business days. Determination Letter will include the decision and the sanction.

The Determination Letter will include information about the appeals process. The Determination Letter will be copied to the Vice President of Student Experience.

The Student Conduct Officer, Title IX Coordinator, or appropriate designee will make arrangements for both parties to review documentation as requested. There is no deadline to request this opportunity.

Appeals

Either party may Appeal. Appeals shall be in writing and provided to the next appellate within five (5) University business days of receipt of the Letter of Determination.

All Appeals should be limited to a party’s belief that a procedural error occurred, that the Sanction was disproportionate to the violation, or that new substantial information, sufficient to alter a Determination or Sanction, is now available.

If either party submits a written Appeal of the Determination Letter, an Intent to Appeal Letter will be sent to both parties by the appropriate appellate within two (2) University business days.

Campus/Classroom Civility Statement

Northwestern State University students, staff, and faculty are expected to create an environment that promotes academic excellence, personal dignity, mutual respect, and individual responsibility in both face-to-face and electronic educational settings regardless of the content of the ideas and opinions being shared. Ideas and opinions that are controversial or in opposition to others are welcomed in the NSU environment, and this policy shall not be used to prohibit the sharing of controversial or unpopular ideas or opinions but merely to call for civility when idea and opinion sharing.

All members of the NSU community have the right to a safe environment free of disturbances and civil in all aspects of human relations. Whether in a face-to-face or online classroom, students who engage in disruptive or abusive discourse or actions may be removed from the class and subject to disciplinary sanctions. In on-campus classrooms, students who speak at inappropriate times, take frequent breaks, interrupt the class by coming to class late or leaving early, engage in loud or distracting behaviors, use cell phones or other noise-making devices, wear headphones, are distracted with computers or other electronic devices, are verbally abusive, display defiance or disrespect to others, or behave aggressively toward others during the class period may be removed from the class and may be subject to disciplinary action under the Northwestern State University Student Code of Conduct (Articles IV Infractions and VIII Sanctions). The instructor of a course may deem additional behaviors or actions inappropriate; these actions or behaviors will be outlined in the course syllabus. Copies of infractions and sanctions begin on page 59 of this handbook and available on the NSU website at nsula.edu/studenthandbook.

ARTICLE I • Introduction

Northwestern State University is an institution with an educational mission, carried out by means of programs and activities devoted to the pursuit of knowledge, through instruction, research and service. The University exists as a community of students, faculty, administrators, and staff who provide, participate in and support these activities and programs. The University campus, facilities, properties and other resources exist to facilitate this educational mission.
The University has an inherent interest in developing policies to preserve and enhance the University’s ability to function effectively and efficiently as an academic institution. These policies entail recognition of both rights and responsibilities for all members of the University community. These considerations make student conduct a legitimate concern of the University.

As a member of the University community, a student is entitled to the freedoms and rights guaranteed to students by the Constitutions of the United States and Louisiana. A student has a right to learn and benefit from an intellectual environment free of distractions.

Accompanying these rights are certain responsibilities. A student must abide by federal, state and local laws. A student is obliged to respect the rights of others. A student shall comply with valid institutional regulations, contribute to the order of the University’s academic and administrative processes and uphold standards of decency and honor in all conduct. Only when individuals are responsible can their rights be assured. Freedom must be exercised responsibly in the context of recognized interest of others and the institution.

The policies and procedures in this Code are established to secure these ends. Such policies and procedures are fundamentally designed to help maintain a campus environment conducive to learning and other educational pursuits. This Code is intended to ensure the enjoyment of students of all proper rights, without undue infringement by others. This Code is a means of attainment to the University’s educational mission by protecting the institution's processes, resources and constituent community.

General authority in the governance of students enrolled at Northwestern State University is delegated to the University President by the University of Louisiana System Board of Supervisors. Within the scope of this authority and further delegation to the Dean of Students, this Student Code of Conduct is enforced for Northwestern State University.

This Code shall be published and made available to all students attending the University. Upon enrollment, a student shall be deemed to have accepted the conditions and obligations stated herein, in addition to all other applicable University regulations which have been or may be issued and published by proper authority. This Code shall apply to all student groups, whether formally or informally organized and whether recognized by the University or not.

In addition to conduct on University property, conduct off campus shall be fully within the scope of this Code, when applicable. Criminal or civil proceedings may be instituted against a student or student organization, but shall not prevent the disciplinary process involving such student or student organization under this Code. The University shall not be bound by the outcome of criminal and civil proceedings in the University’s determination of whether misconduct did or did not occur or in the selection of an appropriate sanction. In regard to
conduct by a student which may be the subject of criminal or civil action, the University shall have the discretionary right to proceed under this Code against the student or student organization before, during the pendency of, after the final disposition of such action, or in the absence thereof. The University shall resort to the disciplinary process only where the alleged conduct directly and/or adversely affects the mission of the institution or the campus community.

The University may exercise jurisdiction off-campus when:

a. The complainant of such offense is a member of the campus community (student, faculty, staff, administrator, contractor); or

b. The offense occurred at University sponsored or sanctioned event (Greek houses, athletic events, co-op program); or

c. The respondent used his or her status as a member of the University community to assist in the commission of the offense (i.e., using another student’s I.D. card to gain access into the WRAC); or

d. The offense seriously impairs the pursuit of the University’s objectives (armed drug dealer arrested downtown).

APPENDIX I • Student Grievance /Complaint Against NSU
Employee (Non-Title IX)

Procedure

Resolution of a student’s grievance/compliant or that of members of a student
organization, unless other-wise specified, shall begin with the person with whom
the student has a complaint. If the problem cannot be resolved at this level,
the matter may be pursued through the appropriate administrative chain, the
immediate supervisor of the person with whom the student has a compliant.

Informal Resolution: If the compliant is informal in nature, the student may at-
tempt to resolve the issue through meetings with the person with whom they
have a complaint or the immediate supervisor of that person and continue up
the chain of command (see 1 a-e below). The Dean of Students, Student Con-
duct Officer, or designated representative may advise the student. An informal
resolution may result in a written agreement.

1. Formal Resolution - Complaints/Grievances are to be submitted in writ-
ten form. Students may contact the office of Student Accountability and
Advocacy or Dean of Students to assist in the grievance process to act as
a representative for the student or designate a representative to assist the
student in the process in such ways as requested by the student including
attendance at meetings and negotiations.

a. Grievances against a faculty member may be pursued through the De-
partment Head, Dean of the College, and the Academic Council of Deans
**Code of Conduct**

b. Grievances against a staff member may be pursued through the staff member’s immediate supervisor and the Vice President who has responsibility for the unit.

c. Grievances against a Vice President may be pursued through the President and the Board of Supervisors.

d. Grade appeals should follow the procedures listed in the University Catalog.

2. **Initial Compliant Hearing** - The student shall provide the appropriate person a written statement of grievance, setting forth the nature of the grievance, the pertinent facts, and the remedial action desired. Any other relevant material shall also be presented. The student shall receive a written response from such person within five (5) class days of the latter’s receipt of the grievance statement. The response shall be one of the following:

a. A decision in favor of the student.

b. A decision supporting the previous action.

c. A statement of compromise agreed to in a discussion with the parties involved and signed by them.

d. A recommendation to the person’s immediate supervisor, with a copy to the student; or an explanation for delaying the decision for an additional five (5) class days, followed by a response as in (a)-(d) above by the end of the additional five (5) class days.

3. **Appeals** - If at any level, a student does not receive a response in the manner stated above, the student may, within five (5) class days submit the complaint/grievance to the appropriate administrator at the next level.

a. The procedure there will be the same as described above. The failure of an administrator to respond will therefore not preclude a student addressing the grievance to the next level.

b. If the student believes that a satisfactory resolution of the grievance has been reached at any level, the process shall be concluded and no further action taken by any party.

c. If after exhausting the administrative chain, a student still believes that there is just cause for grievance, the student may seek redress from the University President.

d. When the matter is presented in writing to the President, the President shall request the Council of Academic Officers to conduct a hearing on the matter and forward to the President a recommendation as to disposition of the matter.

e. The President shall render a final decision within fifteen class days of receipt of the grievance.
Code of Conduct

f. A student may appeal to the Board of Supervisors within 30 days of the last decision if the grievance is against the president or if a decision rendered results in suspension from the University or programs for more than one year. The Board’s review is limited to determination of compliance with established and appropriate procedures.

Verbal statements by the complainant or the respondent are limited to 15 minutes and no other individuals will be allowed to make statements on their behalf or in their stead. Either party may send a written statement. Neither party is required to speak to the Appeals Committee or even attend and will not be penalized for failing to participate in the Appeals process. If either the complainant or respondent chooses not to submit a statement or appear before the committee, the Appeals Committee will make the recommendation based on the information they have received. Upon timely request by either party, the University
Code of Conduct

may be able to accommodate statements via electronic means in appropriate circumstance.

k. The Appeals Committee will formulate a decision based upon a preponderance of evidence as to whether the Employee Title IX Coordinator/Executive Director for Human Resources, or designee’s determination was fair and proportionate to any violation. Also, the Committee will consider, as part of its deliberations, whether the determination will result in (a) bringing an end to the violation in question; (b) reasonably prevent a recurrence of a similar violation; and (c) remedy the effects of the violation on the complainant and the University community.

l. The Committee Chair will draft a recommendation to uphold or overturn the decision of the Employee Title IX Coordinator/Executive Director for Human Resources, or designee, in whole or in part. The Appeals Committee cannot recommend a greater sanction than the original. This decision should be done in five (5) University business days.

m. The recommendation should be placed into writing and submitted to the University President.

n. The University President will review the Appeal Committee’s report and will either agree with the recommendation or will make different decision regarding the status of the employee. The University President can overturn a determination and can also make a decision that greater sanctions are warranted.

o. The time period between the Appeals Committee meeting and the University President’s review should typically be approximately one (1) week.

p. Official notification to the parties will follow in a formal letter from the University President with a copy to the Title IX Coordinator, or designated representative.

6. Sanctions

   a. Sanctions will be addressed as appropriate depending on the employee’s classification and the particular case.

   b. Depending on the circumstance the parties may or may not have the right to appeal to the University of Louisiana System Board of Supervisors (ULS).

APPENDIX III • Involuntary Withdrawal Due To Severe Psychological Disturbance

Northwestern State University is committed to offering an educational opportunity to all students. However, when a student constitutes a threat to the health,
safety and welfare of the student, or others, or to University property, or is unable to effectively pursue academic studies because of maladaptive behavior which is disruptive to the educational process of the University, the student may be withdrawn from the University. Such withdrawal should follow the procedures prescribed herein.

Involuntary withdrawal for medical reasons will be undertaken when the student exhibits behavior resulting from severe psychological disturbance as documented by a licensed psychologist, psychiatrist or counselor.

Conditions for involuntary withdrawal include:

- Behaviors either voluntary and/or involuntary that violate the Student Code of Conduct.
- Behavior that poses an actual direct threat to the health or safety of other members of the University community.
- When the University is no longer able to guarantee a safe environment for the student after all reasonable interventions and accommodations have been made to provide the student support and protection.
- Behavior that is so disruptive to other members of the University community that it disrupts or derails the educational process interfering with the rights of others to learn and meet their educational goals.

A student shall be summoned in writing to attend a conference with the Dean of Students or Student Conduct Officer and any person the Dean of Students requests as a consultant. The notice shall include:

- A statement of the reasons for the conference.
- A statement that if the appropriate professional staff and/or consultant recommends the student to be involuntarily withdrawn from the University, the student has the option to voluntarily withdraw from the University while waiving any rights to a hearing or to request a hearing.
- A statement advising the student that the election of a hearing waives the student’s confidentiality rights to medical and psychological records for the purpose of the hearing.
- A statement outlining the rights of the student as provided herein. The purposes of the conference with the Student Conduct Officer or Dean of Students are:
  - To review with the students the incidents.
  - To assess the degree of the problem.
  - To determine whether the individual will be referred immediately to the appropriate professional staff or consultant for an interview and, if so, advise the student that refusal to participate in the interview will subject the
student to suspension from the University.

• To review the rights of the student as cited herein.

• To afford the student the right to choose voluntary withdrawal from the University or request a hearing before the Committee on Involuntary Withdrawal. If an administrative referral is made, and whenever possible, the student will be accompanied to the interview by an appropriate professional staff member. The professional staff member or consultant conducting the interview shall make a determination concerning the degree of psychological disturbance and advise the Student Conduct Officer or Dean of Students of the appropriate action.

The student shall be afforded the following rights when a hearing is requested before the Committee on Involuntary Withdrawal:

• A written letter of the time and place of the hearing at least three class days prior to the hearing. The letter will also advise the student of the student’s right to an attorney as defined in the University Student Code of Conduct and inform the student that if the student chooses to have an attorney present during the hearing, the student is required to notify the Student Conduct Officer or Dean of Students at least two days prior to the hearing. Additionally, the letter shall inform the student that the student’s representative shall be limited to advising the student during the proceeding.

• The right to present witnesses and evidence on behalf of the student and to question witnesses and challenge evidence presented by the University.

• The right to appeal the decision of the committee to the University President within five class days of receipt of the committee’s decision. The appeal is limited to grounds of prejudicial procedural error or actions which are arbitrary and capricious. The decision to appeal will not stay initiation of the withdrawal. The President shall notify the Student Conduct Officer or Dean of Students and the student within five days of receipt of the appeal.

If a hearing is requested before the Committee on Involuntary Withdrawal, a hearing shall be arranged within five class days. The committee is appointed by the President and includes but is not limited to a staff counselor, a member of the psychology department faculty, faculty member from the social science department and the Student Conduct Officer or Dean of Students shall serve in an ex-officio capacity. The committee shall determine by substantial weight of the evidence:

• Whether the student exhibits behavior cited herein.

• Whether the student should be involuntarily withdrawn.

On determination that involuntary withdrawal is necessary, and in turn carried out, the conditions for readmission are specified and depend on a psychological evaluation by a psychiatrist and a medical clearance being submitted for review.
by appropriate University professional staff and/or consultant.

A student may be removed immediately from University property as provided in Article VIII of the University Student Code of Conduct pending initiation of the above procedures.

The Student Handbook is published by The Dean of Students, in conjunction with The Division of Student Experience at Northwestern State University. The information in this handbook was collected and compiled in the summer of 2016. Since the programs and services contained herein are subject to continuous review and evaluation, the University reserves the right to make changes at any time without notice. This publication, therefore, is intended for information only.
