*Northwestern State University awards loans and Grants on an Academic Year Basis ending with the Summer Session. Therefore, any amounts borrowed in the Fall 2015 - Spring 2016 Semesters will affect your summer eligibility amount.

Grad and Undergrad students must be enrolled in at least six (6) credit hours in order to receive a student loan. Students cannot borrow more than the amounts listed above for the full academic year or more than their cost of attendance.

- I understand that my eligibility for my student loan disbursement will not occur until I begin attending 6 hours and at that time I will have two disbursements on my loan.
- I understand that my eligibility for my second student loan disbursement does not begin until approximately the midpoint of my summer loan period.
- I understand that my financial aid award is based off my summer registration hours and that my award will be adjusted if my registered hours change.
- By signing and submitting this application any awards will be automatically accepted on your behalf. You do have the option to request a reduction if desired.
