

Transfer Admission

Must have a transferable Associate Degree (AA or AS) or higher from a regionally accredited institution.

OR

18 college level hours earned with a 2.0 college level GPA on those hours (this GPA does not include remedial/developmental coursework)

AND

Student must have completed a college-level English and a college-level Mathematics course (with a grade of "C" in both) designated to fulfill general education requirements (Examples: English Composition I AND College Algebra or equivalents.) Transfer students who are ages 25 or older can be admitted needing one developmental course.

No transfer student will be admitted, even by exception, if he/she needs any remedial course work.
