## **Achieving Academic Accommodations: Enhancing our Mental Health**

**Thursday, March 23, 2023 • 12:30-1:30 PM  
Student Union Presidents' Room**

### **SYNOPSIS:**

Do not feel embarrassed; feel empowered. Students often feel uncomfortable sharing their accommodations needs and mental health issues; these cost them academic success. This workshop will explore different strategies to raise awareness about these topics and bring positive outcomes for students. This workshop is open to everyone: students, staff, faculty, and leaders.
